| TRANSFORM ACADEMY PROTOCOL            |                                                                                                                                                                   |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                       | One adult per athlete.                                                                                                                                            |
|                                       | We ask that you wait to enter the the facility until a coach props the South door open. Please                                                                    |
|                                       | enter one at a time and practice social distancing while waiting to enter.                                                                                        |
|                                       | Temperatures will be taken and recorded by the parent upon entering the waiting room; anyone                                                                      |
|                                       | who appears ill or has a temperature of 99.5 or higher will be sent home.                                                                                         |
|                                       | Everyone will be handed a plastic bag in which to store their shoes and other belongings. Bags will                                                               |
|                                       | be placed in cubbies by the exit in the waiting area. Only water bottles can be brought in the gym.                                                               |
|                                       | Everyone will be required to sanitize or wash hands upon entering the building. Athletes will be                                                                  |
|                                       | required to wash hands again prior to beginning practices.                                                                                                        |
|                                       | Please arrive 5-10min. before your scheduled class start time. Entering after the start of class will                                                             |
|                                       | be prohibited due to missing the screening process.                                                                                                               |
| Traffic Flow & Physical Distancing    | Drop off and pick up are encouraged. The waiting area will have no seating or tables. Occupancy                                                                   |
|                                       | will be limited to comply with current guidelines. Parents who feel the need to stay and view                                                                     |
|                                       | practice will be told where to stand to control distancing and flow.                                                                                              |
|                                       | We are looking into a viewing window for families to be able to watch practice from in the future.                                                                |
|                                       | After class, athletes will wash their hands and exit through the North doors of the facility.                                                                     |
| During Practice                       | Athletes should come dressed and ready for class. Please leave all bags and anything you possibly                                                                 |
|                                       | can at home or in the car.                                                                                                                                        |
|                                       | Drinking fountains will be closed. Athletes are encouraged to bring a water bottle.                                                                               |
|                                       | Athletes will be supervised as they wash hands before the start of class and we will remind athletes                                                              |
|                                       | of proper handwashing technique as needed.                                                                                                                        |
|                                       | Lesson plans will be modified to eliminate partner activities.<br>Lesson plans will be modified to limit the use of props. Any props will be sanitized after each |
|                                       | indidvidual student's use.                                                                                                                                        |
|                                       | Stations and activities will be modified to allow safe physical distancing between athletes.                                                                      |
| Employee Guidelines                   | Staff will follow illness policy including temperature checks.                                                                                                    |
|                                       | Staff will wash/sanitize hands prior to each class and at regular intervals throughout.                                                                           |
|                                       | Staff will have limited direct physical contact with children (spotting is limited to necessity for all                                                           |
|                                       | groups).                                                                                                                                                          |
|                                       | Staff will be diligently trained on procedures and prepared to enforce any distancing protocols.                                                                  |
|                                       | Staff will sanitize equipment and props before and after each class, using recommended products                                                                   |
|                                       | that are effective against COVID-19.                                                                                                                              |
| TRANSFORM ACADEMY - IN THIS TOGETHER! |                                                                                                                                                                   |
|                                       |                                                                                                                                                                   |
