

TWO COMMUNITY WIDE YARD SALE DAYS

WHAT IS THIS EXACTLY:

This is a Yard Sale 2 Saturday event to be conducted by 2 different communities all located side by side. Country Club Estates and Chartley.

START & END TIMES:

Advertised start time is 8:00am.

End time is up to each participant.

WHO MAY PARTICIPATE:

Anyone may participate. The only requirement is that you live in Country Club Estates or Chartley.

2 DAY EVENT:

Yard Sale Day is on two different Saturdays – You may participate in one or the other or both days. There will not be any rain dates since this is a two Saturday event. As such it is suggested to sign up for the first to the two dates so that you may use the second date as your rain date to sell any unsold items as desired.

WHERE:

Set up your Yard Sale in your own front yard.

WHY PRE-REGISTER:

We will be promoting this event in general but special attention will be given to those that pre-register to participate in this event. Over the year's people have complained of having to drive down road after road only to find nothing on some roads. They want to know where exactly they should be looking. Thus, those that pre-register will be added to the master list of all Country Club Estates & Chartley houses participating. This list will be available as a printable list that people can use and have when driving around looking for the Yard Sales.

You may still participate if you do not pre-register but the focus this year will be primarily the use of the list.

HOW TO PRE-REGISTER:

Your COUNTY CLUB ESTATES Coordinator is Mark Hemler.
Cell: 410-299-7517.

Your CHARTLEY Coordinator is Dave Powers.
Home: 410-833-3734 / Cell: 443-824-0845.

We have online registration (preferred) that makes this whole process very easy and under your control. Visit the website: www.CountryClubEstatesReisterstown.org

If you have suggestions where to promote this event (that are free to do so) please let your coordinator know asap. Let us know what paper, online page or group to promote with. A name and contact method would be appreciated.
