Queen of Hearts: \$157 - Mike Williams - he did not win.

Our speaker today was none other than our very own, Tommy Gentry, Mr. Historian of Civitan. Tommy gave a good talk about the history of Civitan. He is willing to share this information so if you would like a copy of his presentation, please let him know. I am sure everybody present learned something they either never knew or had forgotten.

Our next meeting is Thursday, April 28 and our speaker will be Ryan LaDuke. He is with CIT - Crisis Intervention. Hope to see you there.

Bring a friend - they may join!
