

NCRTAC Out of Hospital Committee Meeting  
 September 14, 2023  
 Marshfield Medical Center and Zoom

Members present: Ken Marg, Del Horn, Steve Bakos, Linda Vollmar, Adam Meshak

Recorder: Michael Fraley

Call to order	Meeting was called to order by Michael
Scene time	<ul style="list-style-type: none"> <li>• Michael presented more data about EMS scene times.</li> <li>• Group reviewed a PI tool drafted by Michael</li> <li>• Will request feedback on the tool from other members not in attendance today</li> <li>• Del will pilot on a few cases</li> <li>• Will ask for a few other services to pilot the form</li> </ul>
Radio frequencies	<ul style="list-style-type: none"> <li>• The state is considering updating the EMS Comm plan to put scene to helicopter communication on WISCOM, Fire Ground Grey or Fire Ground Black</li> <li>• Members present indicated none of them had WISCOM currently and getting it would not be simple</li> <li>• Members present indicated that most of the felt they had the fire ground channels and that if services did not have them it was much easier and less expensive to acquire them.</li> </ul>
Projects to fund	<ul style="list-style-type: none"> <li>• None identified</li> <li>• Will discuss next time how we can distribute the remaining pelvic stabilizers</li> </ul>
Stop the Bleed	<ul style="list-style-type: none"> <li>• Group was asked if there was anything the NCRTAC could do to promote/support more courses. No items identified.</li> <li>• Reminded group about the kits normally placed around the region (3 at AWH, 2 at MMC, 1 at ASPH, 2 in NCRTAC storage)</li> <li>• Marshfield F/R has 2 that are available</li> <li>• Portage Co will be doing a large school RTF exercise next year and will be teaching STB to many participants.</li> </ul>
