Looking To Save Time With Color-Coded Filing?

Look no further than our Healthcare Solutions. Compatible labels are available for the most popular systems, available in rolls, file boxes, and ring book binders. Our adhesive labels hold longer, colors remain bright and are fade resistant. Our file quality translates into long-lasting durability and aids in rapid file searches. Whether you are installing a new filing system or expanding your current one, we offer the variety and quality you need.

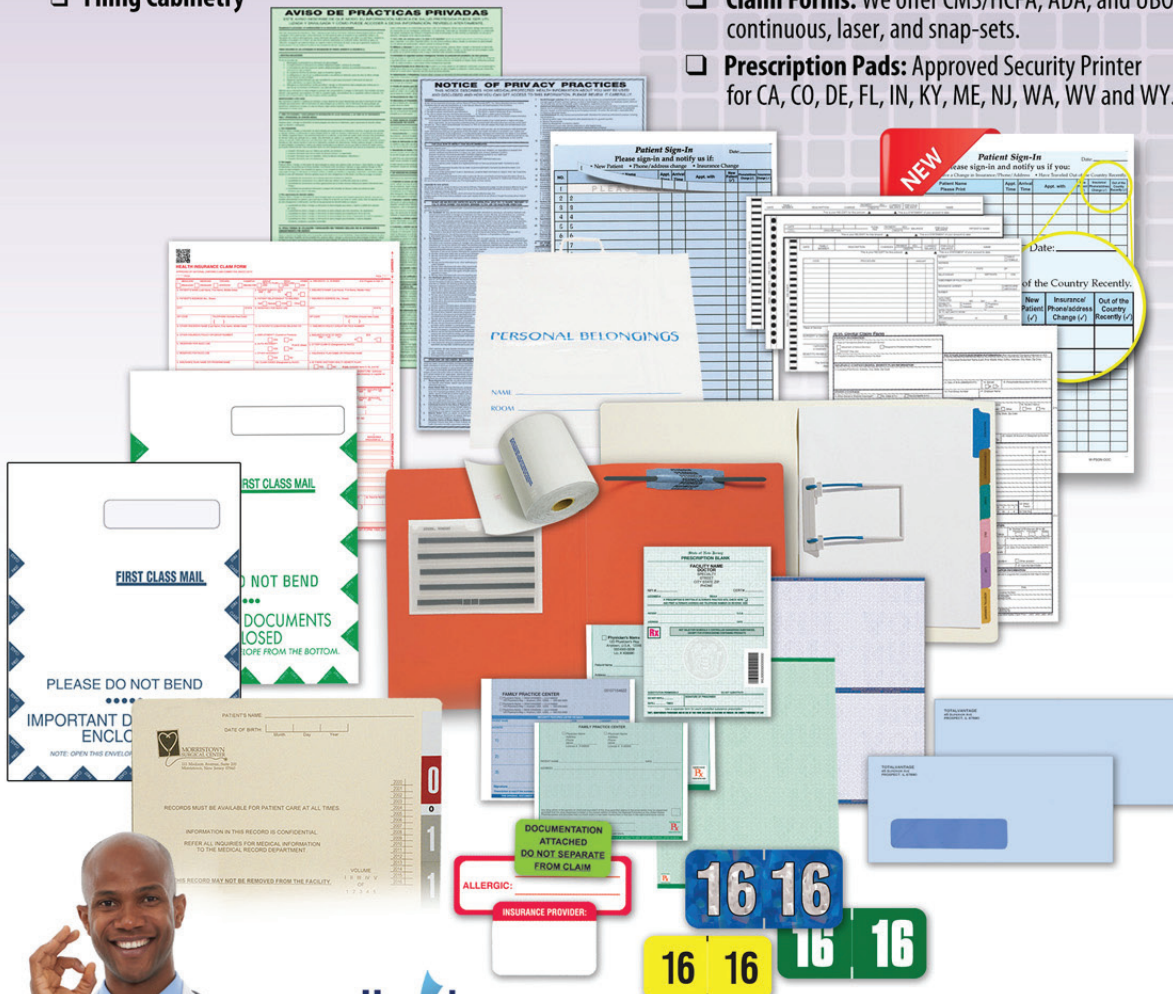

Have a Custom Application?

Custom labeling, custom filebacks and indexes, and custom printed file folders will meet your individual requirements.
