ABOUT ELLO RAW

OUR MISSION IS TO MAKE HEALTHY, REAL FOODS AVAILABLE TO ALL PEOPLE.

THE STORY:

I grew up in a family that dealt with chronic physical and mental health issues. Over the years, I realized the powerful connection between food and well-being, but it was so hard to find good snack options to fit my busy lifestyle.

I founded Ello Raw with the belief that you shouldn't have to sacrifice great taste to have a nutritious and convenient snack. Every time you buy a bag of our delicious Superfood Snack Bites, you are building a world that demands better. Happy snacking!
