Details here:

**Lift Tickets**- included in your hotel room reservation. New This year are RFID lift tickets. Save /print the online reservation form – you may need it to get your lift tickets when we arrive at Lutsen. You are responsible for finding one or more fellow Redeyes that you want to room with. Then one of you would reserve the room with your credit card using the website link above and split the cost with your roommate or roommates.

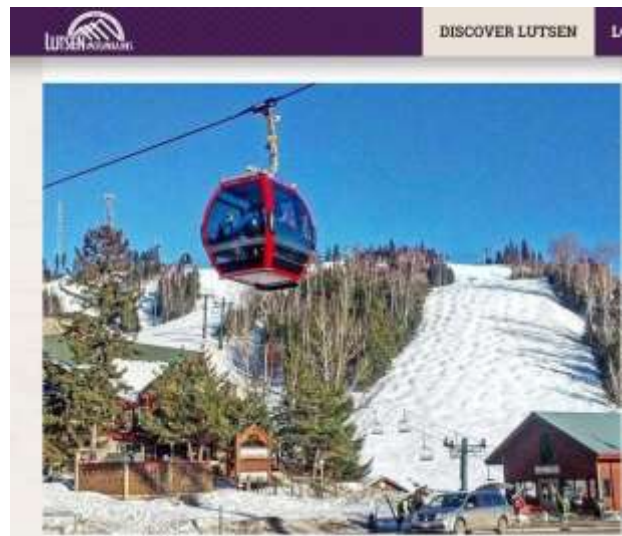

### **Hotel/Lodging**

Pricing above is based on double occupancy @ Americinn @Tofte,MN. Americinn has a very nice common area, breakfast included, hot tub and is about 10 minutes from the ski hill. Shuttle to hill available. Located next to the Holiday station/convenience store. Rooming would be cheaper if you can coordinate roommates for Triple or quad occupancy.

**Meals:** Breakfast included @ Americinn, lunch and dinner on your own. We will plan a Saturday group dinner again this year for an additional charge. We are planning a wine and cheese party on Friday night @ Americinn.

### **Transportation**

You will need to drive or carpool with other Redeyes as we do not have a charter bus. Last year most Redeyes did carpool together. Please let Connie know when you have booked your lodging reservation and we will help with carpooling once we know who is signed up

### **NEW LEADER – Connie Kozlak**

Departure times may vary depending on peoples time schedules. From Eau Claire it is 4 ½ hours to the Americinn. Return time to Eau Claire would be about 9:30, We usually stop in Superior @ Culvers for dinner.

We’d love to have you come to Lutsen, ski with your fellow Redeyes and check out the Gondola to Moose Mountain and the high speed quad lift as well. Once you have reserved your room let Connie know and we will include you on the carpooling and planning emails

You can email Connie at [chrisdalan@comcast.net](mailto:chrisdalan@comcast.net), or contact her at 612-801-7468 with any questions
