Also add Ian Thompson who is being treated heart problems and high blood pressure.
- Mindy Scaffa had knee replacement. There was no problem with the bolts in her knee, but she has a torn muscle. She is recovering at home. Her husband Woody fell and has to wear a knee brace.

REACH, Inc. – Community Project

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. Staff has requested hair shampoo and conditioners, hair bands and clips and nail polish. Many have never been to a salon, and this helps to boost their self-esteem. Adult coloring books and 500 or smaller piece puzzles help them emotionally. If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some **small tote bags** and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. Recommended size for the tote bags is 9"X9" but they can be a little larger. Put them on the table in the pantry and we will fill them as time permits.

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also asked for some cooking utensils for helping them start over. So, if you have something you no longer want, they could use them. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet.

Volunteers are needed. Call the office at 828-837-2097 or 828-837-8064 for more information.

Pantry Items

We need your help to keep our pantry stocked. If no family or individual has made a special request; then, at the end of each month Lula pulls items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week. **You can also write a check payable to the Andrews Food Bank.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. The food bank has requested empty dozen size egg cartons so they can divide the large crates of eggs they receive from other organizations and from people who raise chickens.

Toys for Tots

If you wish to continue to donate throughout the year or get more involved contact the local coordinator for Cherokee County, Barbara Hudson at barbarahudson727@gmail.com for more information or visit the Toys for Tots website. Look for special sales throughout the year.

We received a beautiful thank you plaque that is hung on the wall in the entry way for 2020 donations. Please take time to check it out.

Fundraisers are held throughout the year. We will keep you posted of any new events.

Our church's weekly budget is set at \$1,250.00.

June 6 – \$885.00 is under budget by \$365.00.

June 13 – \$945.00 is under budget by \$305.00.

Sunday Bible Study – 11
Morning Worship Attendance – 23

Members are asked to please check their temperature before deciding to leave home and wearing a mask while inside is optional. Chairs have been set up to maintain social distancing in keeping with current guidelines. Vaccines are available for anyone 15 years and older to help stop the spread of the COVID-19 virus and through 'herd immunity' as we know everyone will not get the vaccine. We will start telephone contacts to let you know if anything changes. STAY SAFE!

Wayne's Outreach Ministries

If there are folks who would like to participate in the prison ministry, please contact Nell, she can share contact information with you. Wayne was the only person that some of these men had reaching out to them. They are sending some amazing words of encouragement as well as telling Wayne about the positive impact he has been on them. At Wayne's request, Nell will be continuing to correspond with some of these men since they truly have no one else. Let her know if you have any questions.

Wayne was also active with World Bible Study and had several people he was corresponding with. If you need help getting started with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy Stephenson.

Sunday Morning Bible Study at 10:00 am.

We have begun the summer series of our Adult Bible Study. We are studying the letters written by Peter. Please pick up a copy off the table in the back of the church titled **Peter's Epistles**. Please don't forget to bring your Bible and your questions.

6:00 PM Wednesday Bible Study

Because many are not comfortable traveling at night because of multiple curves in the roads and poor lighting that make driving at night hazardous. We voted to have conference calls. You can sign in from anywhere all you need is access to a phone.

Bible Studies via a phone conference call is as easy as calling your friends or family. **A few minutes before 6:00 PM, dial 1-425-436-6324. You will be asked for your access code. Dial 5155915#. Identify yourself after you dial in and place your phone on mute. Remember to take the phone off mute if you have a question or want to make a comment.**

A FATHER'S DAY POEM

"Walk a little slower, daddy",
said a little child so small.
"I'm following in your footsteps
and I don't want to fall."

Sometimes your steps are very fast,
Sometimes they're hard to see.
So walk a little slower, Daddy,
For you are leading me.

Someday when I'm all grown up,
You're what I want to be;
Then I will have a little child,
Who'll want to follow me.

And I would want to lead just right,
And know that I was true;
So, walk a little slower, Daddy,
For I must follow you." 🐾 🐾
