SIMPLE AND AFFORDABLE! ROLLER SCREEDS

WORLD'S LARGEST SELECTION TO FIT ALL YOUR NEEDS

U.S. Patent No.: 7,195,424

SO SIMPLE
A SALESMAN
CAN DO IT!

GREAT FOR CONVENTIONAL AND PERVIOUS CONCRETE

A Wildcat Roller Screed is like having a Screed and Power Rake rolled into one
Simple to use for getting flat floors with unbeatable grade control on inclines

PERVIOUS CONCRETE IS HERE TO STAY

Pervious is a Special Mix and Requires Special Tools to Place it

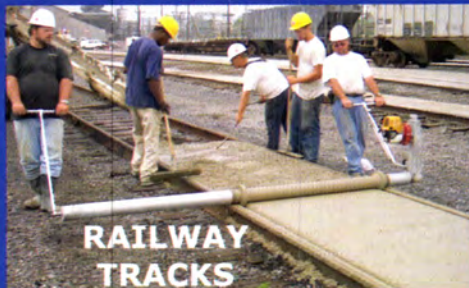

Over the years, Jlin Corp. has worked closely with the concrete associations coast to coast to perfect these tools to have the most up to date designs for all of your needs

PERVIOUS
