

CAPABILITY STATEMENT

Superior Service
Detail Focused
Quality Committed

www.mwrcleaning.com

M&WR is a minority and woman owned, 8(a) certified corporation. For over 30 years M&WR has provided the Virginia, Maryland, and D.C. area with reliable, excellent, and committed Janitorial and Facility Services. M&WR has established business, both in the commercial and government arena, at local and state levels. We specialize in providing the most sophisticated and environmentally friendly janitorial and facility services possible at economical levels for our clientele.

With over 50 years of combined experience, you can be assured our team has the knowledge, capacity, and personnel to service any of your needs. From traditional custodial services, to post construction clean up, our team has experienced all facets of janitorial industry. M&WR brings extensive experience providing project management, time management, cost management, quality management, and contract administration from the start of any contract to its completion.
