

# SPRING BREAK!

## Kremmling Preschool Newsletter March 16, 2022

**MS. KALONIE'S KORNER** - What a fabulous few weeks we've had! The kids have made so many fun sea creatures. We have a giant beach bag here to play with and it has everything you need for a day at the beach. So, lots of beach fun! We have been doing some rainbow science and sometimes our science experiments work and sometimes they don't and we try again the next day. We also had lots of fun with Dr. Seuss week. We turned making green eggs and ham into a math and science experiment. I'm sure they still remember the recipe to share with you, ha! We are looking forward to St. Patrick's Day tomorrow ... don't forget to wear GREEN!!!! Enjoy your spring break!

**EXTRA CLOTHES** - Throughout our day in preschool, we do a lot of activities that may make us dirty, wet and sometime we are having so much fun playing we have bathroom accidents. Please, please make sure your child has a change of clothing, shirt-pants-underwear-socks, in their cubbies so they may change in the event of an accident. Also, if we borrowed some clothing to your child, please make sure to wash and return them so that other children may use them also. Our extra stash is running low and we want to be sure we have plenty for those unexpected times. Thank you for assisting your child in being prepared for all the events of the day!

**PRESCHOOL DENTAL SCREENINGS** - Please do not forget to turn in the dental form if you would like your child to have a dental screening. If you do not want flouride, no problem! We are happy to just look at their mouth and count teeth. The screening will be on Thursday, March 31<sup>st</sup>. If your child does not normally attend on Thursdays and you would like to have them screened, please see Michele for times you may bring them in to participate. If you have any questions, please reach out. Thank you!

**SPRING BREAK IS COMING!** - Don't forget ... The preschool will be closed for spring break, March 18-27, 2022. Enjoy your spring break!
