Recommendations

- As a chapter, we need to increase the number of institutional memberships. If your membership is about to expire please don't hesitate to contact us and we'll have COE invoice your institution.
- Please renew your institutional membership. We are near the end of our 2018-2019 Campaign and we are giving \$300 discounts for memberships that expire soon.
- Please encourage your team to donate to COE. You can donate at any time by reaching out to your Fair Share Co-Chairs and by using our online tool at coenet.org. Please follow up with us if you make an online contribution as we will need to reach out to our COE representative to ensure your contribution is added to WESTOP California chapter.
