

FREE - Small Group Instruction in Basic Sign Language

Did you know

- 3.5% of the US population is deaf or hearing-impaired
- We have about 43,000 deaf and hearing-impaired residents in the Rochester community
- Sign Language is a particularly valuable skill in the service and sales industries
- Learning basic sign language helps the learner in other ways
 - Improves spelling and language skills
 - Improves small motor skills
 - Builds a better vocabulary
 - Strengthens overall communication skills

On Tuesday Evenings from 7:00 - 8:00 PM, beginning January 16th and ending February 6th, our Youth Director, Yelena Morosky and 4 students from NTID/RIT will be providing instruction in Basic Sign Language, including finger spelling and elements of American Sign Language (ASL).

Please register by calling the Church Office (585) 663-3000

You must be registered to participate.

School-age children are welcome with an adult
