

Herring Ponds Weed Watchers:

On Monday, June 13 at 6:00 PM at the Wildlands Trust Headquarters, 675 Long Pond Rd, Plymouth, MA (lower level meeting room) HPWA will hold a training program in identifying Invasive Native and Non-Native Aquatic Plants and Species in and around our ponds. The training session is called the "Weed Watchers Class."

The class will be given by Tom Flannery, Aquatic Ecologist for the Mass Department of Conservation and Recreation, Lakes and Ponds Program. We expect the session to last approximately two hours; workbooks will be supplied.

Please confirm your attendance so we may have enough supplies available. Reply to skipjbfoye@aol.com or 508-888-5308.
