

Journey Fulfills a Dream for a Josh Turner Fan

Helen Agee was diagnosed with COPD and had a dream to meet Josh Turner. Journey along with the Niswonger Performing Arts Center collaborated to make this dream possible. Ms. Agee, her daughter, son-in-law, and her two grandchildren went to dinner at their restaurant of choice. Then they had the opportunity to have a meet and greet with Josh Turner. Ms. Agee was excited to find that Turner was just as she imagined he would be humble and kind. Ms. Agee had the chance to meet someone whose music she loved and she was able to share that experience with her family. The family will be able to hold onto these memories and her smile for years to come.
