## WHAT IS DOUBLE RUN FORMAT?

The Double Run format can be used at trials that have most of the classes running 2 rounds in the same day.

Double Run format allows you to run the same course twice in the same course order (no renumbering of the obstacles, no changing the course). And yes, you can qualify twice, too!

This means that everyone walks the course, then everyone runs the course. There is no 2<sup>nd</sup> walk-thru before round 2 begins.

If you choose to only enter in 1 round of a class, that is okay. You will still need to walk the course during course walk-thru with everyone else (there will not be a separate walk-thru for exhibitors only running in round 2).

**Q:** What about Regular 1 & 2 – will the courses still be reversed like they normally are?

**A:** No, when using the Double Run format all courses where multiple rounds are run will be the same course (no renumbering, no reversing of the course). Regular 1 & 2 will be the same course without any renumbering.

**Q:** What about Bonus Lines for Elite Classes?

**A:** If there is a Bonus Line on a course, it will only be available for the first round.

**Q:** Why is Chaotic Canines using the Double Run format?

**A:** Here's a couple of reasons that we like the Double Run format for our trials:

- The chance to try a different handling technique if the handling on the first round wasn't quite "right" or if you want to try 2 different handling techniques on the course
- Less course building and teardown (saving our bodies and time!)

The trial will be held indoors. Ring size is 85' wide by 110" long with a dirt surface. All obstacles used are according to NADAC rules, including rubber matted contacts. Electronic timing will be used.

Final trial information and judging schedule will be sent with final confirmation and be available on the CCC web site at <http://www.chaotick9s.com> 3-4 days after the trial closes.

## Levels, Categories & Divisions:

**Levels** are Intro, Novice, Open and Elite and a dog may be in different levels throughout the trial.

**Categories** are Proficient and Skilled and the dog must run in one category *only* for the duration of the trial. All dogs running under Skilled, Veteran, or Veteran/Junior Handler **MUST** jump 4" lower than their Proficient height.

**Divisions** are Standard, Veteran Dog, Veteran Handler or Junior Handler; a dog may not be entered in more than one division of the same class at a trial but may be in different division in different classes - i.e. Veteran Handler Regular, Standard Handler Jumpers. Visit [www.NADACforum.com](http://www.NADACforum.com) (look under Media) for further details. Proficient now allows 5 point Qs.

"Intro" is a level for the classes, just like Novice, Open and Elite. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points and Superior Performance at 100 points for Chances, Jumpers, Tunnelers, Weavers, Hoopers, Touch N Go, Barrelers, and Hoopers. For Regular, the basic title is at 30 points, Outstanding Performance is at 100 points and Superior Performance is at 200 points. Note that the Intro level is entirely optional. There is no requirement that a dog must start at the intro level. Dogs must be 18 months old and all other NADAC rules apply to entries.

## Entry Information

**OPENING DATE: WEDNESDAY, MARCH 23rd, 2016 – first received.**

**IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the Chuckanut Chaotic Canines. The individual trial results submitted by CCC are uploaded to the [www.NADACforum.com](http://www.NADACforum.com) within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the CCC, are correct. You can join the Forum by going to [www.NADACforum.com](http://www.NADACforum.com) and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the Trial Secretary for Chuckanut Chaotic Canines. CCC is responsible for correcting any errors and informing NADAC.

**Levels:** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

**Entry Rules:** We will accept entries, received on Monday, March 21<sup>st</sup>, 2016 or later until the limit or the Closing Date is reached. Should the trial fill before the closing date, a waiting list will be started based on **first received** for entries. CCC has the right to refuse any entry. Anyone who is not currently in good standing with NADAC will not be allowed entry into the trial.

**Day of show (DoS) entries** may be taken if space is available. Entries for dogs not already entered in the trial must be submitted by 5:00 p.m. on Friday and 8:00 a.m. on Saturday and Sunday. Price of DoS entries will be \$12 per added run for all runs. Package prices do not apply. **Entries must be received by the trial secretary no later than 30 minutes before the trial starts for the day.**

**Entries and payments** should be sent to: Marian Snapp, 2620 Shepardson St., Bellingham, WA 98226

*Make checks payable to: Chuckanut Chaotic Canines.*

**Confirmations:** These will be sent via email. Be sure to include your CURRENT *legible* email address on the registration form. If you do not have email, your confirmation will be sent via USPS mail. **If you have not received a confirmation by May 9<sup>th</sup>, 2016, contact Trial Secretary, [Marian Snapp](mailto:Marian Snapp), ASAP.**

**Jump Heights:** Dogs entered in the Intro class may jump at any height requested by the owner regardless of dog's actual height. Dogs that have passed their 9<sup>th</sup> birthday must be entered in the Veterans Division in all jumping classes. Dogs that have passed their 12<sup>th</sup> birthday must be entered in the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes. **Breed exemptions have changed. Please check the new regulations.**

Jump Heights:		Jump Height	Dog's Height				
			11" & under	14" & under	18" & under	20" & under	Over 20" (20+)
Standard	Proficient:		8"	12"	16"	20"	20"
	Skilled:		4"	8"	12"	16"	16"
Vets / JHs	Proficient:		4"	8"	12"	16"	16"
	Skilled:		4"	4"	8"	12"	12"

**Non-Jumping Classes-Veteran or Disabled Handler.** Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the **non-jumping classes only** and is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter **all dogs in all classes** for the entire trial in this Division and the dog **must jump 4" lower** than its Proficient, Standard Division jump height. In the non-jumping classes, dogs will be scored and placed with its Standard Division jump height.

**Refunds:** Requests for withdrawals prior to the closing date will receive a full refund. Handlers with medical emergencies providing a doctor's note or having an injured dog or bitch in heat, with veterinarian's documentation & excusal, may cancel 24 hours prior to the start of the weekend and receive a refund less \$10/day. No refunds will be issued for less than \$10.00. There will be no refunds for entries withdrawn after the closing date (other than just stated) or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal, including, but not limited to, aggressive dogs.

**Move-ups:** Move-ups for Friday or Saturday of the trial must be submitted to the trial secretary in writing (e-mail acceptable) no later than Monday, May 9<sup>th</sup>, 2016 at 6 p.m. **DAY-TO-DAY MOVE-UPS WILL BE ALLOWED AT THIS TRIAL.**

## Trial Days

**Check-In:** Check-in will be available at 4:30 p.m. on Friday evening and 7:30 a.m. on Saturday & Sunday.

**Crating:** There is plenty of space in the building for crating. This is a covered and enclosed area. NO set-up is allowed before 3 p.m. on Friday afternoon.

**Start Times:** **First dog on the line at 5:30 p.m. on Friday, and 8:30 a.m. on Saturday and Sunday.**

Briefings, both general and Judge's briefing, begin 20 minutes before competition starts for the day:

Friday - 5:10 p.m., Saturday and Sunday – 8:10 a.m.

Measuring will occur before the briefing.

**Availability of Food:** Restaurants and fast food outlets are about 15 minutes away. Breakfast munchies will be available by donation and lunch is available free to volunteers and "by donation" to non-volunteers, after the volunteers have eaten. Wonderful cooks, Judy and Barb, will be there again. Otherwise you will need to bring your own food. There will be lots of opportunity for you to volunteer since we are running only one ring at a time. 😊

**Warm-up area:** A warm-up area consisting of a jump, hoop and set of weaves will be available to all exhibitors. Obstacles may not be taken in sequence.

**Running Order:** Before each class, a running order will be posted at the gate. When compiling the running order, we do our best to separate handlers running multiple dogs. Since this is a one ring trial, there will be no ring conflicts. Our goal is to keep running order changes to a minimum.

**CONTAINERIZED TRIAL** - All food and toys must be contained at the trial and none can be left lying about loose. This includes crating areas. Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a zip-lock bag or small container. The container cannot be visible in the ring nor within 10 feet of the ring. Do not indicate to your dog that you have this item on you. Remove the container only when you are at least 10 feet outside the ring. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their reward, and lessen the amount of insects around loose food. Any loose food or toy will be confiscated by the trial committee.

**Awards:** Ribbons will be awarded for first through fourth place in all jump heights of all divisions with the exception of Chances which is pass/fail with no placement ribbons being awarded. Qualifying ribbons will be awarded for qualifying runs. **IF** you are close to achieving the NATCH or V-NATCH for your dog, please let the trial secretary know so that arrangements can be made for ribbons and other suitable celebrations!

**Measuring: Dogs to be measured;**

All dogs in the Proficient Category, Novice, Open or Elite, jumping 4", 8", 12" or 16" (without permanent height card).

**Dogs that do NOT need to be measured:**

Dogs jumping 16" in the Veteran or Junior Handler Division

Dogs jumping 20" and 20+

Dogs in the Skilled Category

Dogs listed on the Height Exemption list (**check new regulations**)

An Application for a Permanent Height Card can be downloaded from the NADAC site by going to this URL: <http://www.nadac.com/forms/Application-for-Permanent-Height-Card.htm>. Have the judge sign it when you get your dog measured and then send it in when you have all the signatures needed.

**Description of Classes and Exhibitor Handbooks:** To gain a full description of each of the classes you may obtain an Exhibitors Handbook, available for downloading, free of charge at [www.NADAC.com/docs/Rules\\_for\\_NADAC\\_trials.htm](http://www.NADAC.com/docs/Rules_for_NADAC_trials.htm).
