Water Rehabilitation Project & INDOT Project Updates

The Town of Cromwell is almost through the planning portion of the upcoming Water Rehabilitation Project. **We are pleased to announce that we received an OCRA Grant in the amount of \$700,000.** This grant will allow us to make necessary updates without initiating a substantial rate increase. Thank you to everyone who participated in the surveys and/or wrote letters of support.

Also this year, the Indiana Department of Transportation will be completing a culvert project on State Road 5, near the railroad tracks. The Town of Cromwell is not in charge of this project, but we want to make sure all residents are aware as it may impact travel.

Please be mindful that there will be contractors in and around town going forward with both of these projects. We are excited for the improvements & appreciate your understanding as the work is completed.

Cromwell Ordinance Reminders

Please remember that dogs are to be kept on a leash or restrained at all times.
 As warmer weather approaches, please make sure yards are maintained to avoid nuisance violations.
 Cromwell Ordinance prohibits the accumulation of junk/trash on properties.
 Take advantage of the Clean-Up Day and avoid nuisance violations.
 There is an Ordinance against abandoned vehicles. These vehicles can be tagged and towed.

Stay Informed

The Town of Cromwell tries to make sure we relay important information to our residents. Please make sure you are signed up for our Reach Alert system (in case of emergencies). We also have a Facebook page, "Town of Cromwell" that we keep up to date with relevant information. Lastly, our Council Meetings are the third Tuesday at 5:30pm. This is the best way to stay informed and we would love to see you at our meetings!
