Additional Information on Day Camp Registration:

Goulds Rec strives to be as fair as possible when it comes to registering for programs. We want to ensure that every family has a fair opportunity to register for this wonderful program. We believe in the first come first serve policy and will continue to follow this format. Parents/guardians can only register their own child(ren) for our day camp program. A parent/guardian under their on-line registration, CANNOT register a child from a different family/household. If it is noticed that this has taken place, registration for the child not within your family/household will become void.

Goulds Rec staff have no access to bypass the on-line system and we have no control over who gains access first to our on-line system. Our day camp program is extremely popular with more than 100 families trying to get one of our limited spots for camp at the exact same time. With the Eventbrite system, there is no cart. The time running at the top is **NOT** an indication of how much time you have to "check out". It is simply the time you have access to the on-line registration system. It is a very trusted system and the process simply comes down to how fast you can complete the registration. You may have a week checked and when you go to register, it may no longer be available, as someone else may have clicked "register" before you. We understand that this can be very frustrating. We strongly recommend you check yes to the wait list.

Additional Day Camp Information

Day Camp and Sports Programs: If your child is registered for day camp and they also want to take part in our day time sports programs, our counselors will walk your child to the program and bring them back to day camp during their weeks at camp!!! If your child is registered in 5 or more weeks of day camp, you will get a \$10 discount on sports registration! Please note that if the sport program session overlaps with a day camp field trip, your child will have to go on the field trip and miss their sport session.

**How to get the MOST accurate information about
Goulds Rec programming:**

We strongly advise you to contact Goulds Rec directly (gouldsrecinfo@gmail.com; 745-7575) if you have any questions or concerns. We have noticed through certain social media groups that misinformation has been given. The easiest way to get the most accurate and factual information would be to contact us directly. We also kindly ask that you refrain from sending private messages to staff on their personal accounts.

Goulds Rec Refund Policy:

All refunds for Goulds Rec programs will be subject to a \$15 administration fee. Full refunds will only be issued if Goulds Rec cancels a program/event. Refunds will only be issued during the first 2 weeks of 8+ week programs and during the first week of 4-7 week programs. Refunds will not be issued for 2-3 week programs or for special events.
