Contract for Logo Services

Date

Client's Name:

Company Name:

Work Fee: \$ 400.00 Logo Fee: \$20.00

1. The Client shall pay the Logo Designer upfront, a working fee, which consists of an hourly salary of \$40/hr, at a 10hr minimum price. This payment guarantees the client of his/her logo to be worked on. This also guarantees the Logo Designer his/her payment for their work. This working fee is **Non-Refundable**, and is payment of the actual work done making the logo. This payment of a set hourly fee, is also different from the actual cost of the finished product itself, which is also at a set fee. If additional hours are needed in doing the logo, then additional fees will be added at \$20/hr for every extra hour spent on the changes, adding, updating, or anything done to the logo, and \$10 every 30 minutes.

2. Due to the work schedule of the designer, a minimum of 3-5 business days is as long as it may take for the designer to get any logo samples to the client, do to work schedules. The set work fee is still there because the logo designer will only work on the logo for 10 hours before sending any samples for the client to approve or make changes to. When doing additional hours, the client will either meet in person, or request to sign the additional fees contract, adding to this one, by email. If, by any chance, the client fails to request an Additional Fees Contract by email, or fails to schedule a meet with designer to go over the changes or additions, if needed, after 3-5 business days by contact via email or by phone, the work fee price is reinstated at its regular price. This means that the additional fees prices will be voided and the original project will be scrapped, with **No Refund**.

3. The logo/logos will be delivered via email.

4. YT Productions retains copyright of the Logo/Logos, and hereby grants the Client unlimited but non-exclusive rights to use or reproduce the Logo or Logos for which the Client pays.

5. Failure of the Designer to enforce one or more terms of this agreement, does not void agreement or waive the right of the Client to enforce the terms of this agreement, at any time.
