VISIT SPLIT ROCK LIGHTHOUSE WITH MUSEUMS ON US®

Bank of America credit and debit cardholders can receive FREE general admission to Split Rock Lighthouse October 2 - 3

Bruceanne Phillips,
Bank of America

While many museums have been, and in some cases remain, closed due to continued health and safety concerns, Bank of America's Museums on Us program will be in place at participating cultural institutions that have reopened, including Split Rock Lighthouse, 3713 Split Rock Lighthouse Road, Two Harbors, MN 55616.

We encourage those interested to use the Bank of America Museums on Us Location Finder tool to search for participating cultural attractions, understand any applicable new admission protocols at Museums on Us partner institutions, and to check with museums directly for their current reopening plans, safety procedures and operating hours.

As cultural institutions across the country navigate the current environment, Bank of America is continuing to fulfill all commitments to its nonprofit partners, whether or not they are open, and if programming has been modified or cancelled. This includes continued support of our Museums on Us® partners.

For the past 24 years, through Museums on Us, Bank of America has provided FREE weekend general admission for Bank of America, Merrill and Bank of America Private Bank credit and debit cardholders to some of our nation's greatest cultural experiences and brought new visitors to our partner museums.

In Minnesota, Bank of America's Museums on Us partner is the Minnesota Historical Society. Together, we offer the program at these participating sites:

- James J Hill House
- Jeffers Petroglyphs
- Minnesota History Center
- Oliver Kelley Farm
- Historic Fort Snelling
- Mill City Museum (not yet reopened)

WHEN: Saturday, October 2 and Sunday, October 3 (+ the first full weekend of each month)

WHERE: Split Rock Lighthouse at 3713 Split Rock Lighthouse Road, Two Harbors, MN 55616

WHY: Bank of America believes in the power of the arts and their unique ability to connect people and communities, and help local economies thrive.
