Topic of the Quarter: Instructional Strategies for students who are Deaf or Hard of Hearing

Great Article on understanding why Deaf/Hard of Hearing students have difficulty with literacy.

https://ttaconline.org/instructional-strategies-students-deaf-hard-of-hearing
Resources:

2. French, M. Starting with Assessment: A Developmental Approach to Deaf Children's Literacy. Provides in-depth discussion of research-based principles for assessing skills and areas of need, literacy instruction, and planning for teachers of children who are deaf; includes checklists and assessment tools in reading, writing, conversational language competence, student self-assessment, and parental input. Available through Laurent Clerc National Deaf Education Center, Gallaudet University. Accessible at http://clerccenter.gallaudet.edu

3. Language Arts Curriculum: Clarke Curriculum Series. Clarke School for the Deaf. Provides developmentally sequenced objectives for extended discourse skills, syntactic forms and vocabulary to assist students who are deaf or hard of hearing in developing English language skills.

4. Schleper, D. PreReading Strategies. Presents strategies such as anticipation guides, webs and semantic maps that help students make use of their prior knowledge of a subject in preparation for reading; written for teachers of students who are deaf or hard of hearing. Available through Laurent Clerc National Deaf Education Center, Gallaudet University. Accessible at http://clerccenter.gallaudet.edu

5. Schleper, D. Read It Again and Again. A video and manual set that describes and demonstrates a technique for reading and re-reading the same book over several days; written for those working with children from preschool through third grade who are deaf or hard of hearing. Available through Laurent Clerc National Deaf Education Center, Gallaudet University. Accessible at http://clerccenter.gallaudet.edu

6. Schleper, D. Reading to Deaf Children; Learning from Deaf Adults. A video and manual set that presents 15 principles to guide parents and teachers in
