## EXPERIENCE

### Chief Executive Officer & Owner (Consultant & Trainer)

August 2006 - Current

#### King's Glory Enterprises, Inc./ IT~N~TeleCare - San Antonio, TX

Managing and operating an information technology consulting and training firm aiding small to medium businesses with technical, operational, and administrative duties related to their computer networks, business productivity, and telecommunication systems.

### Adjunct - Workforce Development & Continuing Education Instructor

December 2009 - Current

#### Alamo Community College District - San Antonio, TX

Utilizing various teaching techniques and technology to facilitate meaningful and effective student learning.

### Director - Community & Philanthropic Affairs

August 2006 - April 2008

#### Project QUEST, Inc. - San Antonio, TX

Worked to raise financial and community support to strengthen Project QUEST's ability to sustain and increase capacity to successfully pursue its mission, by cultivating and fostering relationships with stakeholders, businesses, civic leaders, community organizations, and citizens that raise philanthropic outcomes in the areas of charitable contributions, partnerships, volunteerism, and community building.

### Director - Information Systems & Communications Dept.

March 1999 - August 2006

#### Mission City Management, Inc. (MCMI) - San Antonio, TX

Established and built administrative and technological structure for the new created Information Systems department created upon my entrance to the company. Administered network management, user support, network security, server management, and telecommunications management. Established administrative procedures and policies. Consulted with management and staff to determine information needs, data flows and system definitions for parent and affiliate companies. Conferred, coordinated and/or supervised activities or purchases with IT and telecommunication contractors and suppliers. Ensured compliance of IT legal issues.
