Wines Available for Sale Currently at Four Fools

We currently have four types of wine available for sale at the winery.

Please stop in and taste our two chardonnays (The Harlequin Chardonnay and the Harlequin "Springtime" Chardonnay, priced at \$24 and \$16 respectively). These two chardonnays are complex and fruit forward, and would satisfy the pal-

ate of any chardonnay enthusiast.

In addition to these two white wines we have our Zinfandel, a smooth and smoky wine (priced at \$22) and the Petite Syrah (also \$22), great with desserts.

We also have a chocolatey Cabernet and a crisp Sauvignon Blanc available.

These wines are perfect for your holiday gatherings or even a casual get together, and pair well with food.

The winery tasting room is open noon to five p.m. Saturdays and Sundays. Come relax with us and enjoy great wines with a view of the Bay.
