Ben Tyree provided a terrific presentation of how music was used during the revolutionary war – and played several of the tunes on the fife himself. What a great presentation bringing history to life!

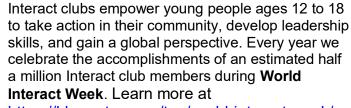

Club member Rob Heavner described what is going on with commercial real estate in these COVID19 times. Rob included an interesting look into some of the trials and tribulations he has personally experienced along the way.

November 10 — Rotary Day at the United Nations

Rotary Day at the United Nations celebrates the shared vision of two organizations for peace and highlights the critical humanitarian activities that Rotary and the UN lead around the world. With the theme Connecting for Good, this year's event will focus on community-based solutions to the global refugee crisis. Rotary holds the highest consultative status offered to a nongovernmental organization by the UN's Economic and Social Council, which oversees many specialized UN agencies. The Rotary Representative Network maintains and furthers its relationship with several UN bodies, programs, commissions, and agencies.

God Bless America!
