

Delicious Milkshakes With Tasty, Sneaky Veggie Nutrition!

SIP THE GOODNESS!

ABOUT US

With a simple blend of organic whole foods, including sweet potatoes, carrots, cauliflower, spinach and beets, Sneakz combines great taste with positive nutrition to help kids eat better and enjoy their veggies.

Made with simple, clean USDA Organic ingredients, Sneakz contains no GMOs, antibiotics or synthetic hormones, and no artificial flavors, colors or sweeteners. It does not contain gluten ingredient and is free from carrageenan.

Sneakz has less sugar than sodas and many juice drinks and packs in a whole lot more nutrition. Try comparing Sneakz to other flavored milk drinks, and you'll see that Sneakz not only tastes just as good but is a much healthier alternative, with more fiber and less sugar and sodium per serving than many leading chocolate milk brands.
