

Can I keep the inflatable overnight?

Yes, you may keep any of our inflatables overnight, however an additional fee of \$30 will be added and the inflatable will be picked up the following day (usually between 9AM-1PM) All prices on our website include a minimum of 5 hours between 8AM-8PM. **If your event time starts at 4PM or later we suggest an overnight rental to ensure a full 5 hours. If you choose not to pay for overnight rental the inflatable will be picked up at 8PM or shortly thereafter.**

(Keep the party going with an overnight rental!)

Please keep in mind that many factors come into play and must be considered....such as weather, next day rental by another customer and the security of our rental items. (Must be in secure location EXAMPLE: Fenced in backyard)
