SONS AND DAUGHTERS SCHOLARSHIPS
Terms of Eligibility and Application Procedure 2021

PURPOSE
The Sons and Daughters Scholarships are intended to recognize and reward outstanding high school academic and non-academic achievements, and to provide financial support specifically for deserving students pursuing a bachelor’s degree on a full-time basis from an accredited U.S. or Canadian college or university. The scholarship does not cover attendance at for-profit colleges, for-profit universities, or trade schools.

The scholarships are awarded for payment of authorized college expenses of $3,000 annually, renewable for up to three years, for a total potential scholarship of $12,000. Authorized expenses are tuition, academic fees, books, room and board.

Sons and Daughters scholarships awarded prior to 2021 are renewable at $3,000 annually for a total potential scholarship of $12,000. See the heading “Renewal” for the requirements to renew a scholarship.

STUDENT ELIGIBILITY
To be eligible, a student must be in his or her final year of high school and the child, stepchild, or adoptive child of an Eligible Employee, as defined below. The student need not reside with the Eligible Employee. However, the Cleveland-Cliffs Foundation (the “Foundation”) reserves the right to request verification, to its satisfaction, of the employee’s parental relationship to any student applicant for eligibility purposes.

To retain eligibility, a student must graduate from high school in the spring of 2021 and enter an accredited U.S. or Canadian college or university on a full-time basis (for-profit colleges, universities or trade schools are not eligible) no later than the beginning of the 2021-2022 academic year. If a student fails to do either, any previously granted scholarship award will be forfeited without any opportunity for reinstatement. Exceptions to this policy may be granted for up to one year, at the sole discretion of The Middletown Community Foundation, for extreme circumstances, such as a significant health or family circumstance. Such exceptions shall be granted only with the prior approval of The Middletown Community Foundation.

EMPLOYEE ELIGIBILITY
An Eligible Employee is a full-time employee of Cleveland-Cliffs, or of an affiliate or wholly-owned subsidiary of Cleveland-Cliffs, who achieves at least one year of continuous service by March 15, 2021 and who continues to be so employed at the time of selection of the scholarship recipient by The Middletown Community Foundation; provided, however, a failure of an employee to meet these eligibility requirements due to his or her death or disability while an employee of Cleveland-Cliffs (or an affiliate or wholly-owned subsidiary) will not render the student ineligible. For purposes of an initial scholarship award, eligible employees do not include those Cleveland-Cliffs, Inc. employees with the title of Vice President or above.

ELIGIBILITY OF CERTAIN COLLEGE FRESHMEN
Certain college freshmen attending an accredited U.S. or Canadian college or university in 2021 may have been ineligible as of the final year of high school for the 2020 scholarship awards solely due to the inability of the Cleveland-Cliffs employee-parent to satisfy the length-of-service criteria to qualify as an Eligible Employee. Should the Cleveland-Cliffs employee-parent now meet the length-of-service criteria, the student may apply for the Sons and Daughters Scholarship for the 2021 academic year, whether or not the student applied for a 2020 scholarship. In such a case, all other selection criteria and eligibility requirements must be met. Please note that this is an exception only to the general rule that an applicant must be in his or her final year of high school, and is intended solely to address ineligibility caused by the parent’s inability to satisfy the continuous service requirement. In the event such a college freshman student is selected for a Sons and Daughters Scholarship, such scholarship will be renewable (with the exception noted under the heading “Renewal”) below, based on satisfactory academic progress, as determined by The Middletown Community Foundation.

ELIGIBILITY EXCEPTIONS
An otherwise eligible student who accepts a U.S. Military Academy appointment, or who receives a full scholarship (academic, sports, performing arts or other) will no longer be eligible to receive the Sons and Daughters Scholarship. Full scholarships include tuition, academic fees, books, room and board. It is the responsibility of the Sons and Daughters Scholarship recipient and the Eligible Employee to notify the Foundation immediately if the student accepts a full scholarship subsequent to being awarded a Sons and Daughters Scholarship.

The Foundation reserves the right to give consideration to, and render decisions based upon, circumstances not mentioned or anticipated herein regarding student or employee eligibility. In all such cases, the interpretation of circumstances and decisions rendered by the Foundation are final.
