Re: Defenders Day at North Point, Saturday, August 26, 2023

We are happy to report that, the Dundalk Patapsco Neck Historical Society, will, once again, be sponsoring the Defenders' Day Reenactment, of the Battle of North Point. This year we have scheduled the event for Saturday, instead of Sunday. You are invited to participate, as as part of our living history program.

In order to avoid duplication of interpretations and items for sale, we are offering the following options:

1. For those who wish to interpret a period skill and sell their wares, a sutler's fee of 10% of their gross sales is requested. Sutlers are responsible for Maryland sales tax.
2. For those who wish to interpret a skill without sales, a \$35 travel stipend will be paid. An additional \$15 stipend will be paid for one assistant. In order to qualify for these stipends, the interpreter and their interpretation MUST be pre approved.
3. For either option, camping is available Friday and Saturday nights.

Please note: no pets are permitted in the park

For questions and to make your reservation: You may contact the Historical Society, at 4 Center Place, Dundalk, MD 21222. The telephone number is 410-284-2331. Or you may contact Jen Egan 410-903-6938 or at email: nebel092771@gmail.com.

We will need your reservation information by August 9, 2023, in order to include you in the printed program. Looking forward to seeing you there.

Sincerely,

Jen Egan
Chairperson

Please note:

You must arrive and have all motor vehicles out of the area by 9:00 AM
