

Orange Group Ages 8-10	AM Classes 9am-12pm	PM Classes 1pm-4pm
<p>Week 1 June 26th-June 30th</p>	<p><u>Challenge Accepted</u> Challenges can be difficult but they can also be lots of fun. We will work together to see who can build the tallest walls. Don't worry. Our walls will be made of cups. We will use the most unusual objects to compete with one another to achieve unusual goals. Will you rise up to the challenge?</p>	<p><u>Bridge Builders</u> Explore your curiosity for engineering in a class that will test your ability to create bridge building solutions as we use different types of materials to design miniature bridges. We will put our bridges to the test as we look at the tension, strength, and durability that everyday bridge engineers study day in and day out. Put your thinking caps and hard hats on and put your creativity to the test.</p>
<p>Week 2 July 3rd-July 7th</p>	<p><u>Art Party</u> Join art teacher Juliana Jost as she helps you custom design your own project that you will paint on wood and canvases. Crafts are also included in this class.</p>	<p><u>Pet Mania</u> If you love animals, this is the class for you. We will discuss the many types of pets, their habitats, and how to care for them.</p>
<p>Week 3 July 10th-July 14th</p>	<p><u>STEM Robotics</u> Get your introduction to hands on engineering in this class. Campers work through a series of instructions to build a battery powered device. Concepts such as force, circuits, construction, design and so much more will be reinforced. This class will prove to be challenging and fun as it peaks the curiosity of the field of engineering. The campers will be so proud that their device works!!! Class cost \$105.00 which includes robot kit.</p> <p><u>Pottery Painting with Carmie's Pottery Paint Works</u> If you like painting and creating your own pottery, this is the class for you! Carmie will join us this week and teach us how to make several pottery items that you can call your own! 20 seat limit/Class cost \$100.00.</p>	<p><u>Mix, Make, and Form</u> Do you love to play with play dough and form it into everyday objects like food and animals? Why not take it to another level and actually make your own play dough? We will mix different ingredients together to make different forms of moldable objects. Some of these objects we will leave out to dry and take home. There is no limit to what we can make. You might even find yourself eating your own dough.</p>
<p>Week 4 July 17th-July 21st</p>	<p><u>Golf at Eastlyn Golf Course</u> Join us as we golf at Eastlyn Golf Course. Each day includes a golf lesson from the head golf professional who is also a past member of the Philadelphia PGA. Bring clubs if you have them, if not, they will be supplied. Class cost \$100.00</p>	<p><u>Characters In Action</u> Are you ready to get into character? Perhaps you can help someone develop into a famous children's book character. Let's impress the younger children at camp and replicate the most iconic characters in the famous Dr. Seuss books. The younger crowd will certainly enjoy seeing you act out the scenes.</p> <p><u>Cookies, Cakes and More!</u> If you love to get creative in the kitchen, this class is for you! You will bake delicious cakes, cookies and other items AND you will learn how to decorate them too! Of course, you get to eat whatever you bake! 20 seat limit/Class cost \$100.00.</p>
<p>Week 5 July 24th-July 28th</p>	<p><u>Aloha</u> It's time to sail away to Hawaii to explore the Island's deepest secrets. We will take tele-tours of Hawaii's ecosystems and create projects that will help us stay connected to the Islands. You might just find yourself talking to someone who actually lives in Hawaii.</p>	<p><u>Give Me Liberty!</u> Give me liberty AND summer camp! Campers will get an exciting crash course on how and where the USA got its Liberty. From the Boston Tea Party to Paul Revere's Ride to Washington Crossing the Delaware and the Signing of the Declaration of Independence, students will relive the colonial times! Set your Liberty Bell to wake up and get to camp! It will be Revolutionary.</p>
<p>Week 6 July 31st-August 4th</p>	<p><u>Get Moving!</u> So you want to sit on the couch all summer, huh? Not here! Time to get moving! This class will get you outside as much as possible. Poor weather? No problem, we'll go into our spacious all purpose room. We will not be denied the fun of playing such things as kickball, baseball, soccer, basketball, water balloon game races, relay races, and more. Each day class will conclude with an hour long "Boot Camp for Kids" with Heidi DeBartolomeis.</p>	<p><u>Pokémon</u> Pokemon games encourage strategic thinking and, in many cases, basic math skills. These games also put a strong emphasis on good sportsmanship and respect for other players. Emphasis is placed on fun, fairness, honesty, respect, sportsmanship, logical and strategic thinking.</p> <p><u>Shoot Some Hoops</u> VHS Head Basketball Coach, Jack Martine, will introduce you to the game of basketball and help you improve your skills if you are already a basketball player. Important fundamentals, a variety of drills and teamwork will be emphasized. Come join a highly energized and fun environment in the gym!</p>
<p>Week 7 August 7th-August 11th</p>	<p><u>Lego World</u> Let's join together and tackle Lego challenges while being encouraged to build creatively in a hands on environment. Learn to problem solve using Legos while learning how Legos were even thought of. In all cases you will be encouraged to think "outside the box", experiment, test, and improve on making solutions.</p> <p><u>Farm To Table Cooking</u> Chef Mo (Maureen Simmons) will help you make healthy and delicious meals using lots of items locally grown. You will get to eat whatever you cook and take home the recipes too! 20 seat limit/Class cost \$100.00.</p>	<p><u>CSI</u> Let's put our minds together as we examine evidence of a crime scene investigation. We will collect proof, analyze it, and rack our brains trying to figure out the culprit to the crime. Get ready to start questioning witnesses and suspects to crack the case.</p>
<p>Week 8 August 14th-August 18th</p>	<p><u>Super Hero Headquarters</u> Who is your favorite super hero? Maybe it is one that we all know or one that you only know about. Design your super hero costume and develop your super powers. You will share your super hero with the rest of the camp.</p>	<p><u>Classy and Fabulous</u> In this class, girls will enjoy glitz and glamour and know how much fun it is to be a girl. Campers can look forward to spending the day in their pajamas at our "Slumber Party" and relaxing on "Salon and Spa Day" where we will do beauty treatments, manicures, pedicures, and be totally spoiled. Our talented staff will also offer a variety of very fancy projects to craft. So take a cue from us and make every day a girly day!</p> <p><u>Boys in Charge</u> No girls allowed! This class is all about the boys! Campers will play games both inside and out, do projects that only boys would enjoy and just basically hang out with the guys.</p>
<p>Week 9 August 21st-August 25th</p>	<p><u>The Art of the T-shirt</u> We will have a great time exploring and experimenting with the many uses for America's favorite clothing staple. The possibilities for its utility will amuse and amaze; believe us, your 'fruit of the loom' is so much more than just a fashion statement.</p>	<p><u>Creative Craniums</u> This class will stimulate our campers' minds and unleash their inner Picasso, Hemingway and Oprah. They will think outside the box and have fun doing it! Develop critical life skills, encourage self-expression and boost self-confidence.</p>
<p>Week 10 August 28th-September 1st</p>	<p><u>Carnival</u> Wrap up your summer with a week of fun and carnival games! From ferris wheels to carousels and popcorn to cotton candy, we will step right up and clown around to end our summer fun!</p>	<p><u>Carnival</u> Wrap up your summer with a week of fun and carnival games! From ferris wheels to carousels and popcorn to cotton candy, we will step right up and clown around to end our summer fun!</p>
