Dear Parishioners,

Our Lady of Fatima, the "Miracle of the Sun" took place on October 13, 1917. 70,000 people gathered in a small village in Portugal to watch for a miracle that the Virgin Mary had promised to three young shepherds. The day had been rainy and overcast. But suddenly the sun broke through, and the crowd witnessed what has become known as the "Miracle of the Sun." The sun appeared to change colors and rotate in the sky, but no one who looked directly at it was harmed. The phenomenon was witnessed up to nearly 25 miles away and widely reported even in the anti-Catholic press of the time. It was the culmination of six visits Mary made to the children.

How many of us know the story of Fatima? This information was provided by Our Sunday Visitor. The story of Fatima began in the spring of 1916, when Lucia do Santos, age nine, and her cousins Francisco Marto, age eight, and Jacinta Marto, age six, were guarding their sheep outside their small village of Fatima, in central Portugal. As they were eating lunch and praying the Rosary, a bright light flashed and the image of a young man appeared, saying "Do not be afraid! I am the Angel of Peace. Pray with me." The children did as they were told and the angel explained the "the hearts of Jesus and Mary are attentive to the voice of your supplications." The angel appeared to them two more times, in the summer and in the autumn, each time asking them to make a sacrifice for the sins of the world and the conversion of sinners.

On Sunday, May 13, 1917, the three children were in the field with their sheep when they saw a flash of lightening and the image of "a lady all dressed in white. She was more brilliant than the sun and radiated a light more clear and intense than a crystal glass filled with sparkling water when rays of the burning sun shine through it." Our Lady told the children to pray the Rosary every day to achieve peace in the world and promised to visit again the next month.

Mary returned each month for the next five months, referring to herself as the Immaculate Heart. She showed the children a vision of hell and told them that if Russia converted, there would be peace through the world. She also explained that the pope would have to suffer and many nations would be destroyed, always emphasizing the need to pray the Rosary. She also told them that Francisco and Jacinta would soon go to heaven, but Lucia would live longer to spread the message of the Immaculate Heart. In her final visit, on Oct. 13, Mary identified herself as the Lady of the Rosary and appeared with St. Joseph and the child Jesus, again asking that the Rosary be recited daily for peace in the world.

I ask that we all remember the "Miracle of the Sun" and continue to pray the Rosary for our world and all of God's children. O my Jesus, pardon us, save us from the fires of hell. Lead all souls to heaven, especially those in most need.

God Bless,

Lisa Myers, Principal at Sacred Heart School

Dear Sacred Heart Parishioners;

The Traver and Keller Families would like to thank you all from the bottom of our hearts for your generous donations towards the Cystic Fibrosis Foundation bike ride drive for continued monies to support research towards a CF cure. Together the parish raised approximately \$2700.00 towards the overall total of over \$10,000.00 raised by all who contributed to this year's drive in Lilly and Kaileigh's behalf. This amount is phenomenal and a witness of our faith, hope and love for one another.

May Jesus blessings be with each and everyone of you.
