

Pinellas Preparatory Academy

Grade 6-8 Math Summer Homework 2017

***If you are enrolling in a math summer course through FLVS you are not required to complete the summer homework. ***

Dear Parents and Students,

This summer we are using Khan Academy for our math summer homework. Students will be exploring and learning skills that will help them be successful in their math course next year.

Log in information will be distributed during Step Up, on the last day of school, and it can also be found on our website.

Students will need to complete 80 minutes a week or 20 minutes a day for four days a week, however they would like to do it.

Students will need to make sure they use the correct class code based on what class they will be entering next year.

If you have any questions, please do not hesitate to reach out to your child's teacher for the 2017-2018 school year.

Sincerely,

Mr. Clapper- 6th Grade Math and 7th Grade Math, kclapper@pinellasprep.org

Mrs. Ezenwa- 7th Grade Math and Pre-Algebra, mezenwa@pinellasprep.org

Mrs. Engels- Algebra I and Geometry I, kengels@pinellasprep.org
