

NOVEMBER 2018 NEWSLETTER

OUR HEARTS GO OUT TO OUR COMMUNITY:

At Aspire, being here for the greater good of our community has always been important to us. We are truly saddened by all the recent losses and devastating events that our community has had to face in the past week. We mourn those who lost their lives in the Borderline shooting, and we are heartbroken for those who lost their homes and have been effected by the fires. We know most of our families had to evacuate in the past week, and we hope more than anything that you are all safe.

Aspire is a place of safety for our young dancers—a place to dance and share feelings, to help each other get through hard times—to be in place of light, positivity, and love. In the upcoming weeks, we will focus on this more than ever.

We will be hosting a fundraiser and community event on Monday, November 19 to help our community through this very hard time. Please go to aspiredancestudio.com for more info.

We are proud to call Thousand Oaks home, and we continue to do all we can to make our city a little bit happier day by day.

Thank you for your support, now and always.
