Dear Ms. McMillin,

Thank you for contacting me regarding men's health. I appreciate you taking the time to express your thoughts and concerns.

As you know, the birth of a child is an exciting moment in a parent's life. Decisions about the child's first few days and how best to prepare them for life should be left for the parents to make. I appreciate you expressing your concerns for the decision some make for their children in the earliest days of their lives. Please know that should legislation regarding this issue come to the House for a vote, I will be sure to keep your views in mind.

Again, thank you for contacting me and please feel free to do so in the future if I may be of assistance.

Sincerely,

A handwritten signature in cursive script that reads "Betty Sutton".

Betty Sutton  
Member of Congress
