For fourteen years, Cheryl Meyers was employed at a jewelry store at the Fox Valley Mall. However, as the mother of two young children, she wanted to be able to spend more time with them than her job allowed. A college friend sent her samples of Rodan + Fields Skin Care products which she loved. So, becoming an Independent Consultant for the company was the perfect job choice for her.

Doctors Rodan & Fields, California dermatologists, invented ProActive, a very popular and successful acne treatment for young skin. They went on to develop a line of products to address major skin concerns for adult women which includes four specific regimens.

The REVERSE Regimen features four full size products of Deep Exfoliating Wash, Intensive Brightening Toner, Dual Active Brightening Complex and Reverse Broad Spectrum SPF 50 Sunscreen. It treats Brown Spots, Freckles, Melasma and Age Spots.

The REDEFINE Regimen features four full size products of Daily Cleansing Mask, Pore Minimizing Toner, Triple Defense Treatment SPF 30 and Overnight Restorative Cream. It treats Fine Lines, Wrinkles, Pore Size and Loss of Firmness.

The SOOTHE Regimen features four full size products of Gentle Cream Wash, Sensitive Skin Treatment, Moisture Replenishing Cream and Mineral Sunscreen SPF 30. It treats Sensitive Skin, Eczema, Psoriasis and Rosacea.

The UNBLEMISH Regimen features four full size products of Acne Treatment Sulfur Wash, Spot Fading

Toner OR Clarifying Toner, Dual Intensive Acne Treatment and Oil Control Lotion SPF 20. It treats Acne, Cystic Acne and Post Acne Marks.

All products, which can be ordered online (Cherylmeyers.myrandf.com) or by phone (630/518-8448), are all dermatological grade, meaning they were created by doctors who want real results. Rodan + Fields was recently named the number one skin care brand in North America by a respected source.

Two brand new products are Lash Boost, a clear conditioning serum, which promotes longer, fuller and darker natural lashes and Active Hydration Serum which contains a molecule which boosts hydration of oily or dry skin by 200%.
