

Hello Fellow SWCHRC Club Members

Looks like a lot of people are interested in doing the Antenna Seminar. I spent some time Sunday with Bill (W8DMR) and set a date & time for the event.

The Antenna Seminar will be held **Saturday January 26 2019 at 10:00 AM**. The location is **2738 FLORIBUNDA DR COLUMBUS, OH 43209-3120**. You can get directions from your location at Google Maps. Easy to get to just off 33.

Bill has limited seating so please bring a fold-up chair with you. You may also want to bring paper & pencil for note taking. About four cars can fit in Bill's driveway but there is lots of on the street parking available.

The event is scheduled for two 45 minute presentation periods with a break & refreshment period stuck right in the middle. Expect the time period to be approximately a little over two hours.

I expect a good time will be had by all who attend. Good information, get questions answered, and the great camaraderie we all share at these events.

I look forward to seeing you there. The link below will take you to Bill's place on google maps.
