Ponies can be ridden in any age division unless otherwise specified.

HORSE AGE AND EQUIPMENT CONDITION

Junior horses that are shown with a bosal or snaffle bit may be ridden with two hands on the reins.

SHOW RESULTS

The results of any approved show must include all signup sheets and entries with their club affiliation, listing the top five riders in each class and shall be sent to the Show Secretary.

HIGH POINT AWARDS

The top five riders who are current Club and Association members of each class of an approved show shall receive points toward the High Point Awards in the following manner:

- 1st.....5 points
- 2nd.....4 points
- 3rd.....3 points
- 4th.....2 points
- 5th.....1 point

Points counted toward High Point Awards will be on the rider, not on the horse, and will only be credited to contestants who are active members of a club belonging to the Association at the time such points are earned.

At the end of the last approved show of the season, or shortly thereafter, the Association will present five place High Point Awards in each of the approved events to the five riders with the greatest number of accumulated points.

A person must ride in an event 50 percent of the shows in order to go to the state show and 70 percent to be eligible to receive their year-end high point award. If a person shows in two associations and qualifies in both, and they do not represent the AVHSA at the state show, they will not receive their year-end high point award for that year and they will not be eligible the next year. In the event a class does not have 5 qualified riders and a rider, who has not shown in 50 percent of AVHSA shows and shown in said event, may be considered to show at the State Horse Show. If a non-association rider places, his or her place points will be given to the next AVHSA Rider. When non-members are riding in pleasure events the judge will be asked to place enough riders to accommodate non-members.

ALL AROUND HIGH POINT AWARDS

All Around High Point Award will be awarded at the discretion of the AVHSA Board to the following age divisions, Pee Wee, Buckaroo, Junior, and Senior. Points will be calculated on an accumulative basis. Meaning, points earned by an individual, in an eligible class, will count toward the All Around High Point for that person in their age division.

- a. Lead In, all Beginner classes and non-State classes do not count toward All Around High Point.

HIGH POINT TIE BREAKER SYSTEM

All ties will be broken according to the following:

1. Most shows shown.
2. Most 1st, 2nd, 3rd, etc. that each rider has.
3. If a tie still exists after steps A & B a coin flip will break the tie. The rider with the first highest place will call the toss.

JUNIOR AND SENIOR DIVISIONS

Junior Division will consist of riders 18 years and under. Senior Division will consist of riders 19 years of age and older. Age is determined by person's age on January 1. (Junior riders must ride in their division, except in events which are open to all ages.)

In the event that a question arises on the age of a rider any time during the year, the Association can ask that birth certificates be furnished and all awards shall be held until proof of age is established.

SHOW MANAGER

The show manager shall be held responsible by the Association for enforcing all the Association's Rules and Regulations. He or she shall be the person in charge of the show. The manager shall be responsible for the maintenance of a clean and orderly show and enforce the starting time of the show as well as coordinate and expedite the movement of classes to the best of his or her ability. Before the show date, the Show Manager should make arrangements for having programs printed and some distributed to other clubs and preparing entry sheets which should contain places for name, age (except Seniors), club affiliation and/or town if a non-club member, and making

arrangements for having trophies at the show on time. The Association is responsible for obtaining the following personnel: Ringmaster/ Arena worker, Announcer /Time Keeper, Show Secretary, Sign up table worker, Gate/ Arena worker, and someone to collect gate fees from anyone entering the show and check Coggins papers.

The Show Secretary of the Association shall be responsible for collecting the results of the show.

JUDGES

Judges must be chosen from a list furnished by this Association. Neither the Judge nor member of his family may exhibit or act as agents or handlers of a horse in any class at a show where he/she is officiating. A Judge may order any person or horse from the arena for bad conduct of one or both. The Judge shall have the authority to place a horse and rider in whatever position he thinks is justified, and his decision shall be final. His authority shall be limited to decisions involving the merits of the horses and riders being judged. The Show Manager shall have the sole authority to enforce decisions involving the Rules and Regulations of the Association. The Judge may use the sifting method when class consists of 15 or more horses.

The Judge should not visit with any of the exhibitors or spectators prior to or during the show. Any conversation with the Judge should be done after the show, not prior to the show or during the show. The judge will be notified of this when contacted to judge the show.

No horse may be shown under a Judge if that Judge has been owner, trainer, or conditioner of that horse within the previous six months. If such a horse is entered in a show, its entry fee shall be refunded and it will not be exhibited. A judge may be suspended from the list of approved judges for infraction of this rule or by a majority vote of the Board of Directors of the Association.

RINGMASTER

A competent Ringmaster shall be required at all approved shows. He or she should be familiar with show procedure and etiquette. It shall be the Ringmaster's responsibility to check the qualifications as to the eligibility of each horse or pony in each event before the rider enters the ring and to excuse any ineligible riders before the judging begins. The Ringmaster shall make sure that no person rides more than one horse, or that no horse is ridden by more than one rider in any approved performance class.

By assembling the class promptly, the Ringmaster will be able to keep the judging program on schedule and eliminate delays between classes. He will notify the judge when all horses are present for the class. He will carefully refrain from advising or discussing the horses or riders with the judge.

The Ringmaster has charge of the activity in the arena. He should act as mediator between the Judge and the Announcer. He must not allow the horses to crowd up in the arena and at all times endeavor to keep the possibilities of an accident to a minimum. He has the authority to ask a rider to remove his horse for the safety of other horses, riders or spectators.

ANNOUNCER

The Announcer should give notice of approaching classes and any empty classes that will be canceled to help expedite the show, including having entrants ready to go three deep in the timed events. The Announcer should keep children away from the fence during the classes. He should be familiar with and announce the eligibility requirements of each class before the entrants start into the arena.

Announcer must keep his/her attention on the Ringmaster at all times during performance classes so as to promptly announce directions for the riders.

OTHER SHOW PERSONNEL

It is important that those responsible for taking entries be familiar with the eligibility requirements of the classes and be provided with proper entry forms containing places for name, age (except Seniors), and club affiliation, if any. (Entries must be paid and signed up before entry sheets are sent to the Announcer's stand at the end of the preceding class.)

It will be necessary to have at least two Arena helpers to help set up barrels, poles, and other markers for the events requiring such props and for removing them as necessary.

Unless otherwise specified, current AQHA rules will apply to those classes not covered in the AVHSA Rule Book.

FACILITIES

Show facilities should meet minimum safety standards deemed appropriate by the Board of Directors. Any club failing to comply will be subject to disciplinary action by the Board.

Each club must see that there are adequate toilet facilities on the show ground where an approved show is held.

AMENDMENT OF BY-LAWS

These By-Laws may be amended, repealed, or altered after being proposed at one meeting of the Association Board of Directors and voted on at the next meeting.

These By-Laws, Rules, and Regulations were accepted originally on 6/21/73. They were revised on 3/18/75, 4/5/82, 3/15/83, 4/3/85, 4/7/87, 3/8/89, 3/2/92, 3/12/93, 2/7/94, 2/6/95, 3/2/98, 3/1/99, 3/6/00, 3/3/03, 2/2/04, 2/28/05, 2/5/07, 2/25/07, 1/14/08, 1/9/09, 1/11/10, 1/6/11, 2/15/12, , 2013, 2014. 01/05/15, 3/3/18, 3/12/19, 3/20/20, 3/30/21, 3/25/24.

STATE HORSE SHOW ASSOCIATION

It should be noted that the AVHSA joined the Arkansas State Horse Show Association in January 1974. It is policy of the AVHSA Board of Directors to adopt and follow the rules and regulations of the State Association. Each year these are reviewed as they are changed or added to by the State Association. Ours will automatically change as the State Association Rules change. Each time the State Association adds or deletes new events to its approved list, the Board of AVHSA will add or delete those events deemed appropriate for our particular Association.

Each year in September, the State Association puts on a Championship Horse Show. The top five riders in each event from each of the member Associations are eligible to compete in this show. The Association must pay for five places in each event whether five people participate or not. In the event one of the top five riders is unable to go to state, substitution will be permitted moving first to 6th place and then to 7th place. Substitutions will not go beyond 7th place. Each Association must pay for assigned stalls in advance of State Show along with all entry money for participants in the Show.

Individual clubs shall be responsible for processing all forms for their entrants to the state show. Individuals shall pay their entry fees and stall fees for the state show to their respective clubs, not to AVHSA. Club Delegates or their designee shall ensure that all properly completed forms and fees in the form of a club check are forwarded to the AVHSA.

In the flat walk the horse should break at the knees, reaching and pulling with the front legs with that movement originating from the shoulder. The horse should have impulsion and exhibit stride and drive with the hind legs. There should be no wringing or twisting of the hocks, nor any excessive hock action. The horse should demonstrate a loose way of going with plenty of motion. Over stride is important but should be in accord with the conformation and length of the back and legs of the horse. A horse with a good flat walk will naturally have a straight, up and down head motion timed with the overall rhythm of the walk.
 - b. **Running Walk (Favorite Gait):** The running walk has the same beat or evenly timed footfall (1-2-3-4) as the flat walk but is much smoother with greater stride, rhythm and natural motion. The increased rear leg stride and increased reach in the shoulder create this smoother ride and propel the horse at a faster speed without changing the cadence of the leg motion. As with the flat walk, the horse will naturally have a straight up and down vertical head motion timed with the overall rhythm of the running walk. A correctly performed running walk is truly a gait of ease, producing a clearly heard and easily counted 4-beat tempo.
