Ensemble Arts 2014-15 New Easy Tuition Payment Policy

To make paying tuition easy as possible, knowing everyone's busy schedules, we are now requiring a credit card on file from all families. You can still make your monthly payments **on time** with cash or a check. However, if you are late past the due date of the 8th each month, we will then charge your credit card your tuition payment on the 9th without the \$20 late fee. This will save you time and money. **There are now NO convenience fees with credit card payments.**

We can also automatically make your monthly tuition payments each month on the 8th for your convenience. If your credit card is declined for any reason there will be a \$20 late fee on all credit card transactions.

We do understand that some families might not have a credit/debit card to put on file. If so, then Ensemble Arts will require you to make your tuition payments on a "bi-monthly" or in other words two months at a time. The fee schedule will start with a payment in **September** for September/October, **November** for November/December, **January** for January/February, **March** for March/April and **May** for May/June. These payments too, are subject to a \$20 late fee is not paid by the 8th of the payment month above in **bold writing**.

Tuition policies will be strictly enforced to ensure the studio runs to the best possible level of customer service and efficiency. Tuition fees are based on a ten month plan and the same monthly fee is due regardless of how many classes are held in the month or missed classes due to vacations, sports, school events or a brief illness. Any missed classes can be made up during our regular school year in the appropriate age and level class.

Tuition is non-refundable and non-transferable unless there is a valid documented medical condition or emergency which forces the student to miss more than 5 weeks of consecutive classes. If you need to withdraw, you must officially withdraw from class with an email to Ensemble Arts within 24 hours and only from that day of notification your paid remainder of tuition for that month will be refunded. If you **do not** notify us in 24 hours of withdrawal, there will be no refund.

Late and delinquent tuition payments slow down the efficiency of any business and these new policies we believe will help improve and maintain our school's level of commitment and success. Thank you for your cooperation and business.
