

# Zion / Bryce

## LDT

Oct 18-21, 2019

Our last Long Distance Trip for 2019, this is one that is not to be missed. From the towering walls of Zion to the fascinating hoodoos of Bryce, and the riveting views around both parks... this trip promises scenery you will never forget!

We'll be staying at the Comfort Suites in Kanab, UT - the same hotel we stayed at for the 2017 trip to the North Rim of the Grand Canyon. They do a great job of taking care of us there, and the ride into Kanab from the 15 is one of the nicest and most scenic "rides to the destination" on any of our LDT's. When you're planning out 2019 for your calendar, be sure to make room for this truly awesome trip with your Biggs HOG family!
