

The Volunteer Regional Food Pantry presents

## **Heirloom Fruit Tree Tour And Planting At the Maine Heritage Orchard**

**Sunday, 4/29 from 10 am to Noon**

The Maine Heritage Orchard was planted in Unity by MOFGA in 2014 to preserve and showcase rare fruit varieties traditionally grown in Maine. Join Laura Sieger for a tour of the orchard and a hands-on tree planting demo that will teach you how to plant fruit trees on your own, while adding a few more to the growing collection of historic trees at the heritage orchard.

This event is free.

Participants should gather at the Volunteer Regional Food Pantry at 9:45 to carpool.

The pantry is located at 180 Depot St in Unity
