## President's Letter

The RH Alumni database contains over 8500 entries, however we have never reached 600 paid members. Our annual dues provide funds necessary to support our annual operating expenses. I ask each of you to reach out to other family members and friends in an attempt to increase our number of paid members. I would also like to extend my THANKS to the ALUMNI Council for their continuing support.

We continue to progress with our Website and Database, with the goal of each member with an email address maintaining their own information and updating when required, to reduce the mailing cost of the annual Newsletter.

Please watch your email for an invitation to sign into our new internet program, Member Planet. This is where you will be able to update your personal contact information, see photos from past annual celebrations, contact friends and classmates, and make online payments for dues, scholarship contributions and the annual celebration.
