

Game On 13 and Fury Baseball Developmental Baseball League

**HARD WORK
BEATS TALENT
WHEN TALENT
DOESN'T WORK
HARD.**

Calling all 5, 6 and 7 year old boys and girls! We want YOU to be a part of a new and exciting baseball program called the D-League. This instructional-based 8 week season is designed to transition young players from Tee-Ball to actual baseball. The D-League will also introduce

players as well as parents to the beginnings of what will be Travel Baseball...without the actual travel!

Each week will include one professionally run indoor Wednesday practice and one professionally run outdoor Sunday practice followed by a competitive D-League game!

Each 90 minute practice will consist of small group instructional drill stations to help develop important skills including proper throwing technique, fielding, pitching mechanics, hitting and base running. The coaches will be extremely hands on while remaining patient, positive and upbeat thus allowing for rapid progress.
