A group of expectant fathers were in a waiting room while their wives were in the process of delivering babies.

A nurse came in and announced to one man that his wife had just given birth to twins.

“That’s quite a coincidence,” he responded, “I play for the Minnesota Twins!”

A few minutes later a nurse announced to another that he was the father of triplets.

“That’s amazing,” he exclaimed, “I work for the 3M company.”

At that point, a third man slipped off his chair. Somebody asked him if he was feeling ill.

“No,” he responded, “I happen to work for the 7-UP company.”

A Note from Mark

We live in a world where darkness resides and in order to be the light we must do all we can to ensure the safety of our children and members.

In order to be more pro-active in protecting our children and complying with State regulations, several things will begin taking place here at the LaSalle church immediately. First, anyone involved in any way with our children and teen program, must undergo and pass a criminal background check (there will be no exceptions). Second, policies and guidelines will be written and put into place regarding those working with children/teens. Those working with our children and teens must periodically review and agree to those policies.

Thank you for your understanding and support. The protection of our children is everyone's responsibility – if you see something, say something!
