**CINCO DE MAYO!**

(sort of)

Centennial Park, Carson City

**Come help us celebrate Cinco de Mayo in style! Saturday, May 2, 2014 - come on down and enjoy the company of people you may never meet anywhere else. In our last event we had participants from 15 different ZIP codes and hope to have even more variety this year! Potluck item not required (see theme), but sure makes the party that much more fun! We have refrigerator space and electrical outlets. **Homemade food definitely preferred! Liquid refreshments needed, too!** We will have Club-sponsored BBQ chicken for one main!**

This Fourth Annual event will be run in *true mixer format* with plenty of time to socialize and eat.

Open to all players!

**Start time:** Saturday, May 2 - Check-in beginning 8:30 AM; tennis will officially start about 9:00 AM
