

THE HAGUE CHRONICLE

VOLUME 14 NO. 1

HAGUE, NY

JANUARY 1986

1986 HAGUE WINTER CARNIVAL

This year the Hague Winter Carnival is scheduled for February 14, 15 and 16, although the Carnival Queen Pageant will be held on Thursday night, February 13 at 8:00 PM at the Beachside.

Friday, the 14th, will feature the Torch Run at 3:00 PM and the Youth Dance from 8:00 - 11:00 PM at the Beachside.

Saturday's plans include: the Firemen's Breakfast, Snowmobile Races, 10K Foot Race, Polar Bear Dunk, Adult Tug-Of-War Contest, and the Carnival dinner dance at the Beachside.

Sunday, the 16th, will start with the Firemen's Breakfast again, the Rogers' Rangers Run Cross Country Ski Race, Sanctioned ATV Races, Snow Sculpture Contest, Chainsaw Competition and the National Ice Auger & Chisel Championships.

On both Saturday and Sunday there will also be beer, food and souvenir concessions. Raiffles include the ever-popular Money Doll, and a 2-drawing chance for a basket of cheer or \$100 worth of gasoline. Horse and buggy rides will again be offered, and children's activities are planned.

For safety's sake, this year we are going to make a determined effort to enforce crowd and vehicle control in the traffic loop on North Pond and on the pond during the events, so please cooperate if a Carnival official asks you to seek a different resting spot.

Help is needed to put on all our events, so volunteers would certainly be welcome. The Committee meets weekly on Monday nights at 7:00 PM at the Town Hall, if anyone would like to lend a hand.

....Kathy Santaniello

SNOW QUEEN PAGEANT

Seven girls are vying for the title of 1986 Winter Carnival Snow Queen. The pageant is to be held on February 13 at 8 PM at the Beachside dining room. Competition includes: question and answer, physical fitness dance, and talent.

Girls competing for the title are: BETHANY WELLS, JOANN STORMER, SYLVIA MAY, VALERIE MEEHAN, JENNIFER HAYES, JULIA HAYES AND RENEE LA ROCK.

Hard work and determination will make this a program well worth watching. The public is invited to attend.

Judging will be done by a panel of impartial judges who will be introduced that night.

...Aggie Watts

PROCLAMATION

WHEREAS, Dr. Martin Luther King, Jr. assumed the leadership of the American Civil Rights movement at the most critical juncture, and

WHEREAS, Dr. Martin Luther King, Jr. led that movement without violence or hatred, but with love, and

WHEREAS, Dr. Martin Luther King, Jr. dedicated his life to achieving social change non-violently, and

WHEREAS, Dr. Martin Luther King, Jr. dreamed that one day all people would live together in peace and harmony, and

WHEREAS, the Congress of the United States has made Dr. King's birthday a national holiday, and

WHEREAS, it is desirable to observe Dr. King's birthday in an appropriate manner, reflecting on his philosophy

I, RICHARD E. BOLTON, SUPERVISOR OF THE TOWN OF HAGUE, HAGUE, NEW YORK, DO HEREBY PROCLAIM MONDAY JANUARY 20, 1986,

MARTIN LUTHER KING, JR. DAY

in the TOWN of HAGUE, and I call upon all of the residents of our Town to remember Dr. King by loving, not hating, showing understanding, not anger and making peace. I also call on all churches and synagogues in the community to hold services on this day and to ring church bells at noon in memory of Dr. King.

/S/ Richard E. Bolton

DATED: December 31, 1985

NOTE: In honor of Martin Luther King, the County and Federal Offices, including Silver Bay and Hague postoffices will be closed.

FESTIVAL GUILD PLANS BENEFIT

The Ticonderoga Festival Guild is sponsoring a benefit at the E.M.A. on February 8. Proceeds will be used to reduce the loan secured to pay for their big yellow and white striped tent under which summer performances are held.

The evening will open with cocktails available at 6 PM. Dinner, featuring a sizzling 16 ounce New York strip steak, will be served at 7 PM, followed by entertainment starring Terry Jo Dixon, Ticonderoga's and New York State's 1984 Junior Miss. Dancing to music of Jim King will continue throughout the evening. Door prizes and other attractions will also be part of the evening's enjoyment.

Admission for this gala will be \$10.00. Reservations can be made at the Festival Guild office located in the Cummins House at 146 Montcalm Street or by calling 585-6716.

FIREMEN ELECT OFFICERS

At the last regular meeting of the Fire Department the following officers were elected:

President - John Breitenbach
 V. Pres. - Sal Santaniello
 Secretary - Donna Denton
 Treas. - Edith Smith

Fire Chief - Paul Davis
 1st Asst. - Jim Young
 2nd Asst. - Gary Boyd
 3rd Asst. - Martin Fitzgerald, Sr.
 Ambulance Capt. - Ida May

The Fire Department is still working very hard on its fund drive. If you have not already sent in your contribution, they would really appreciate hearing from you.

The citizens of the Town of Hague owe a debt of gratitude to the many dedicated volunteers in the Hague Fire Department and Ambulance Corps. Remember, without this group of men and women our insurance rates would be much higher and we would not have the protection that we now have. So let's all give three cheers for our Hague Volunteer Fire Department!!!

TOWN BOARD

December 27 - A special meeting was held to close the books for 1985. These books may be inspected by any town resident Mon. thru Fri. from 8 - 5 PM at the Town Hall.

A letter of resignation to Fred LaPann, Chairman of the Planning Board was read. Letter was from Jim Broderick who is resigning for health reasons.

Councilmen Frasier and Fitzgerald were complimented for attending and receiving good grades at Cornell Univ. This was a class in Legislative Powers and Duties

Rogers Rock Campsite is open for cross-country skiing - no motorized vehicles.

Chalk board to be bought for town hall.

Dave Martucci and Dan Belden were given permission by the Board to attend the Association of Towns meetings in February.

January 7 - Organizational Meeting

Supervisor Bolton in his State of the Town address listed the following accomplishments:

- Taxes reduced 9.63%
- Purchased new highway equipment
- Passed Waltonian Island Ordinance
- New town stationery
- Updated employees' guide
- New trail at campsite for cross country skiing
- Winter Carnival and Bass Tournament - put Hague on the map
- Senior Citizens very active group
- Honor system at boat launch successful
- New voting machine
- New phone system
- Flood insurance available
- 911 system cleared up and operating
- New playground equipment for the park

Things to be accomplished in 1986:

- Computer system - payroll and part of assessors work for information.
- Re-activate equalization board
- Sewer district has been asked for
- Clean up lake milfoil
- Check on cable extensions
- Install flagpoles in cemeteries
- Apply again for HUD grant
- Town brochure for new and old towns people

Committees:

Deputy Supervisor - Richard Frasier; Neighborhood Watch, Coffin & Braisted; Highway, Frasier &

Fitzgerald; Recreation & Promotion, Fitzgerald & Coffin; Bldg and Grounds, Braisted & Frasier; Planning & Zoning, Coffin & Fitzgerald; Sr. Citizens, Frasier & Braisted; School; Fitzgerald & Coffin; Town Park, Braisted & Fitzgerald.

Appointments: Robert Hoyt to Town Park Commission, 3 yrs; Tim Costello to Planning Board for 3 years; Bruce Robinson to Planning Board for 7 years; Charles Dority to Assessment Board of Review; Bill Foster, Zoning Administrator.

Regular Meeting-January 14 - Department of Transportation officials met with Dick Frasier to review signs and lights on Rt. 8. DOT agrees present light is in wrong place and probably two lights are needed plus a run off area for vehicles on south of Rt. 8.

Dan Belden reported that the Town Highway Dept is testing liquid calcium as a possible alternate to salt and sand for the purpose of removing snow and ice from the highways. To date, particularly during the extremely cold weather, the liquid calcium is proving to be very effective.

The Board unanimously approved a resolution in support of the construction of a state police radio tower on Black Mt. The 41 ft. of tower would be placed on top of the existing 39 ft. fire tower. The new 80 ft. tower would eliminate the dead spots that presently exist in the state police communication system for our northern area.

Bolton said that he is presently chairman of four county committees, vice-chairman of four additional committees and serves on five other committees. A new committee which Bolton is co-chairman, The Lake George Affairs Committee, will deal with problems adversely affecting Lake George. Warren County is willing to consider hiring an inspector to examine septic tank installations on Lake George. Individual towns would have to request the service. Bolton feels that the Lake George Affairs Committee is a most important committee since the deterioration of Lake George affects us all...AC

WEATHER UPDATE - JANUARY 15

Our mountain observatory registered 17 degrees below zero this morning. Lake frozen from Anthony's Nose to Sabbath Day Point. (that's all we can see this early in the morning!)

PLANNING BOARD 1/2/86

A Public Hearing was held at the regular meeting time to hear the proposed sub-division of property owned by John and Bonnie Gudikunst on Dodd and Decker Hill Roads. No one spoke against the 4-lot subdivision. The lots far exceed the minimum lot size.

The Board gave conceptual approval of the plat plan, but the plan cannot be filed with the County Clerk's Office until a survey of the property is completed and a mylar of said survey submitted to the Board for the clerk's signature.

James Broderick, long time member of the Planning Board and the site plan review committee resigned from the Board. His resignation was accepted with regret and with deep appreciation for his long and valuable contributions to the Planning Board.

SENIOR CITIZENS CLUB

The Senior Citizens Club held a Christmas covered dish luncheon on December 18 at the Hague Baptist Church. Thirty-three seniors attended, along with several Town Board members. It was a festive affair and we are looking forward to our next luncheon.

The town justice will be holding court every Wednesday at 1:00 PM at the Town Hall so we will be unable to hold our monthly meetings on Wednesdays. Our next meeting will be held on Tuesday, January 21 at 1:30 in the Town Hall. At this meeting we will decide on what other day to hold our monthly meeting.

HOSPITAL FUND DRIVE

The people of Hague have a right to be proud of the response given by this community to the Moses Ludington Capital Fund Drive which took place in 1985. As of this date the Hague total paid or pledged is just under \$30,000, a very responsible sum.

We expect that before we are far into 1986 some kind folks who have indicated that they want to contribute to this fund will do so, and who knows what figure we may reach?

My kindest good wishes go to all who worked so diligently to make this excellent result possible and my best for a happy and healthy 1986 to you all.

E. Hamilton Crabbs, Chairman for Hague

AMERICAN LEGION

Regular monthly meeting of Hague Post 1538, American Legion, will be held at the Legion Home on Wednesday, February 5 at 7:30 PM. Refreshments will be served following the business meeting. The January meeting, held on one of the coldest nights of the winter, really proved the worth of our furnace which kept the temperature well into the seventies. The Basket of Cheer raffle held prior to New Year's was won by Bob Patchett of Hague.

A walkathon from Hague to Ticonderoga was held as a benefit for the Transplant Fund drive on Saturday, December 28, officially sponsored by Hague Post American Legion. Al Perkins organized and did the major part of the work involved in making a great success of the event. 17 walkers, mostly local school students, completed the long, cold 10 mile trek which netted the Transplant Fund a total of \$733.90.

Special thanks go to Brookwood Park Campsite, which at the halfway point welcomed the participants with a roaring bonfire, sandwiches, hot dogs, and soda, and to Mike and Linda Coffin who a few nights later provided the Beachside Hotel dining room facilities for a dance for participants and other local youths.

Congratulations to all involved, and the Town of Hague should be proud to have raised this amount of money, on short notice, for this very worthy cause.
...BAC

DECEMBER 19 BLACKOUT

The Senior Citizens bus left for Glens Falls on December 19 on schedule. No one realized that the blackout would last 8-1/2 hours. On Thursday at 6:30 AM approximately 8000 persons were without electrical power. An 11,500 volt transmission line snapped & fell on frozen Lake Champlain north of Whitehall, affecting Hague, Ticonderoga and many other Essex County towns. On the 19th the temperature was 11 degrees below 0!

We have not heard of any real hardships. Sandwiches were served at the Hague Firehouse and warmth was provided. Older and sick people were called to make sure they were coping. Schools and businesses were closed. Moses Ludington Hospital took in 250 people with overflow going to the Nursing Home. One Essex County official has called for an investigation of this outage...MB

WILLY C'S WEATHER NOTES

The balance of December remained wintry. We had traces of snow on the 17th, 18th, 21st, 27th, 29th and 31st, with measurable amounts of 1 inch on the 22nd and 6 inches Christmas Day. Christmas Eve was magnificent, clear as a bell, calm, with a bright full moon and stars filling the heavens. The 6 inch snowfall was a perfect present for the ski areas, and they have been making the most of it, as temperatures have been in their favor ever since. The December low temperature reading at lake level was -1 degree on the 19th, with a -13 degrees below zero at our mountain observation point. Christmas day did not bother these readings, but it was 2 degrees above and 7 degrees below zero respectively, which added to the pleasure of the 6 inch snowfall. The high temperature for the month was the 46 degrees reported in the last issue, but it did hit 44 degrees on the 24th, so you can see what a contrast there was between the 24th and 25th of December. Temperatures modified following Christmas day, just enough to make winter enjoyable for everyone, skier and non-skier alike. Christmas day was also windy with top gusts at 29 MPH. The balance of the month continued windy with speeds in the mid-teens and the low to high twenties. Total snowfall for the month was between 18 and 19 inches. No rainfall after the 1st.

December along with Christmas also brought our massive power outage, as described on page 4. One thing people learned was to have a battery powered radio (with batteries!) on hand.

And, finally, December brought the winter solstice on December 21st, an event in which the majority of our readers can rejoice, because now the sun will start the long climb north toward our summer. The shortest day of the year occurred between the 14th of December through the 26th when we had 8 hours and 50 minutes of daylight on each of these days, sunrise to sunset.

As promised last issue the days are now getting longer. Today, Jan 14th we have picked up 11 minutes of daylight, since these shortest days, and this rate will be increasing by next issue.

January has been a good winter month thus far, with some normal highs and lows, a nice break with some 40's between the 10th and 12th and some below zero readings on the 8th and 14th. At lake level it was -4 degrees and -3 degrees respectively. Our mountain observatory had a -14 degree reading on each of these days. A -16 degree reading was also reported on the West Hague Rd. on the 14th. On the plus side January has brought a lot more sunshine than we experienced in December.

Obviously the northern basin of the lake has been trying to freeze over. The night of the 7th and the morning of the 8th looked like it might have a good leg

on this process, but Hague Bay remained open. The wind backed around to the south, blew hard for two days, and took much of what had formed out. The water temperature Jan. 7th was 33 degrees F. Air temperature 10 degrees. Winds have continued strong, from different directions, through much of the month, making it difficult for ice to form. Another super cold front moved through the area the morning of the 13th with light snow together with a top wind gust of 43 1/2 MPH. It blew in the high 20's to mid-30's all day and night. The temperature dropped from 40 to 32 degrees F in two minutes and was down to 6 degrees by late afternoon - below zero by morning. Great wind chill factors. Ice has formed in certain protected areas and then moved about the lake depending upon wind conditions and direction. This year it appears as though the lake will ice over in different places at different times and when finally completed some areas will be thicker than others, depending on when they froze and where they moved to, so until the thin areas reach a safe measurement, be careful if and when you venture out on the ice, particularly if it becomes snow covered. Most of the ice fishermen know their way around on the ice. If you see them way out on the ice don't think that they necessarily got there in a straight line, and don't think you can necessarily get to them in a straight line from wherever you are located. BE CAREFUL. We want to see you next month.....Willy C.

ICING IN HAGUE FROM 1883
(Continued from December)

It was necessary to saw a channel into the ice run. Two men were on the ice field with their saws and speeds to bar off cakes from the field and push them toward the channel. One man worked pushing them into the channel. Two men worked at the lower end of the ice runs to place four cakes in the runs. One put a grapple back of the fourth cake. This grapple was attached to a rope pulled by a horse to get the cakes to the ice house. Dan Davis, carrying tongs called "Ready" and the driver would start the horse. When the ice had reached the ice house Dan called, "All right" and the horse would stop and turn around. Dan would go back down the run for another load. Burnice Clark and I would have another four cakes in the run. Four men, Reg Rising, Alvie Phillips, Burt West, and Chet Davis were working in the ice house. Each man would take a cake of ice and fit it in its place. The ice was packed in snow, each layer being completely covered with the snow.

This went on through the day. Men on the ice would be at work at 6:30 AM, the plow having marked the cakes the day before. With no trouble, by four o'clock that ice job would be finished.

(Cont. on p. 6)

TO: Municipal Taxpayers
FROM: HAGUE BOARD OF ASSESSORS
SUBJECT: Assessment Calendar Changes

As of January 1, 1986 several changes have been made to the assessment calendar used for purposes of real property tax administration.

1. Taxable status date is now March 1. Application for real property tax exemptions, such as the Senior Citizen and Veterans exemptions must be filed with the assessors on or before this date.

2. The tentative assessment roll will now be filed on or before May 1 and the Board of Assessment Review will meet to hear any assessment complaints on the third Tuesday in May.

Lastly, the final assessment roll must be filed on or before July 1. The time for filing petitions for small claims of tax certiorari judicial review is measured from this date.

No changes have been made to the dates for payment for municipal or school taxes.

THE SAGAMORE IN BOLTON LANDING

The Sagamore Hotel on Green Island has been evolving since July 1, 1883. From its very beginning, the emphasis was to provide guests with elegant and luxurious surroundings and the latest conveniences available. Delicate color schemes were used in the interior to enhance the feeling of spaciousness and to contrast with the more vivid colors that nature provided outside. Fires and additions changed the structure over the years, but the basic building that we see today was completed in 1930 and operated until 1981 when deterioration caused the hotel to close.

As of June 1985, the Sagamore is again in business. The structure has been completely renovated and tastefully refurbished to provide the ultimate in gracious living. The Sagamore is listed in the National Register of Historic Places, so consequently, its appearance is much as it was in 1930. Safety features such as a sprinkler system and fire doors have been worked into the decor without detracting from its appearance. Pastel colors are used throughout the building in keeping with the earlier days.

General Manager David Boyd not only has a structure that reflects the past, but a staff that is being trained to provide the ambiance of by-gone

days. The employees with whom I spoke appear to take a great deal of pride in their work; here, quality is standard and excellence is the goal.

During the first summer of operation, The Sagamore had 600 people on its payroll and is providing employment opportunities to many north country people. In the past, The Sagamore was strictly a summer resort; today it is operating year round with much of its winter business coming from meetings and conferences.

The word sagamore (among the Algonkian Indian tribes of New England) means chief or great man. If The Sagamore can become a "chief" in leadership of blending an elegant Adirondack resort to serve the needs of its guests, employment opportunities for the people of the north country, environmentally sound practices in its operation to preserve the aesthetics of its surroundings and the quality of the water, then The Sagamore will be heralded as the alchemist who derived the formula for the preservation of Lake George! ...AC

ICE - Continued from page 5

George Tupper and Jay Leach always worked on the ice field, sawing, breaking, and getting it to the channel. Burnice Clark and I worked with pikes getting the cakes into the run.

Probably next they would fill Mr. Watrus' ice house, and Gen. Lee's and Slocum's. Not always the same crew would work, but there was no trouble getting men to work because the pay was \$2.00 a day if we worked all day or a little less. When icing was over the winter work was over. After that we went fishing.

Often the crew filled two small ice houses a day with less help.

The hotels were The Rising House, The Trout House, The Iroquois, The Hillside, The Phoenix. The Island Harbor was the only place that didn't need teams to draw ice from the lake to the ice houses.

The stores all put up ice. Henry Clemons and later John Jenkins owned a meat market on the green across from where the school house now stands. Melvin Barton owned a store and granary in the large red house now owned by the Shakeshafts. Ellis Bolton built the store now occupied by Hoyt's Super Market. Jim Fitzgerald had a meat market across the brook, entered by a bridge just below Mrs. Scott's house. Mr. Burgee ran a grocery store near where the Edith Carpenter house now is. Also, there was a store in Graphite.

.....Taken from Hague Historical Society records.
Written by Walter Clifton. To be concluded in future issue.

SOUNDINGS

ADOPTED - In October 1985, a girl, Rebecca Chandler, to Betsy and Robert Carney, St. Glens Falls, at age 4 months. Rebecca's proud grandparents, Florence and Jack Carney, Sabbath Day Point and aunt and uncle, Peggy and Peter Carney attended her christening on January 4 in S. Glens Falls.

BORN - A son, Richard Nelson, to Barbara (Patchett) and Thomas Bonnett on December 30 in Montgomery, AL. Grandparents are Lynn and Bob Patchett, Trout House Village, Hague.

BORN - A son, David Michael, to Susan (Michael) and John Rogers in Los Gatos, CA on December 30. Graham and Petie Michael, Friends Point are the proud grandparents

BORN - A son, Phillip, to Michael and Mary Ann Meade on January 14. Proud grandmother - Laura Meade, Hague..

ENGAGED - Gilbert Engler, Bethesda, MD, son of Mr. & Mrs. Howard Engler, Hague, to Cynthia Martin, Washington, DC.

DIED - Elizabeth D. Howe, 84, of Troy and Forest Bay, Hague, on December 19 at St. Mary's Hospital in Troy. Survivors include two sons, eight grandchildren and two great-grandchildren.

DIED - Rev. Clifford Bohanan, Penny Farm, FL, on December 23. Mr. Bohanan served as pastor of the Hague Baptist Church from 1975 to 1979.

DIED - Thomas Gordon Smith, 61, Ticonderoga, on Dec. 25 in Burlington, VT. Survivors include a brother, Bernard, of Hague.

DIED - William Frank, a resident of Arcady Bay Estates and Deerfield Beach, FL, on December 30 in Florida. His wife, Viola, survives.

NEW TOWN COURT HOURS SET

Town Justice Kenneth Yaw has announced that court will be in session each Wednesday at 1:00 PM in the Town Hall.

GIRL SCOUT COOKIE TIME!!!

The annual sale of Girl Scout cookies is now in progress. This is the only fund raiser that the Girl Scouts have during the year. The Hague Troop of Girl Scouts is small this year, but enthusiastic. Their leader, Michelle Brunet, in behalf of her scouts asks for the support of all Hague residents when a Girl Scout comes or calls to sell you cookies. If you do not hear from a scout, please don't let that stop you from ordering. You may call 543-8818 and Michelle will have one of the girls get in touch with you.

HIGH SCHOOL EQUIVALENCY CLASS

Ticonderoga Central School District is planning on offering a High School Equivalency class in preparation for the High School Equivalency test. To offer the course, a minimum enrollment of ten is required. Area residents interested in taking the course should call Ticonderoga Central School District at 585-7422 in order to pre-register. There is no fee for the course.

FUEL ASSISTANCE

For those who are eligible for fuel assistance, you must sign up in the County Center, Lake George. For more information, call Diane at the Town Hall, 543-6161.

OVEREATERS ANONYMOUS

NO DUES NO WEIGH-IN NO FEES - JUST FELLOWSHIP (and you lose weight!)
Meet in Room 200 every Tuesday at 7:30 PM at Moses Ludington Hospital. All are welcome.

BABE RUTH, WHERE ARE YOU?

Would anyone who has Babe Ruth baseball league uniforms or knows where they can be located, please contact Sal Santaniello, 543-6441. ...SS

Raphael paints wisdom, Handel sings it, Phidias carves it, Shakespeare writes it, Wren builds it, Columbus sails it, Luther preaches it, Washington arms it, Watt mechanizes it.

Love is very patient, very kind. Love knows no
jealousy; love makes no parade, gives itself no airs,
is never rude, never selfish, never irritated, never
resentful; love is never glad when others go wrong,
love is gladdened by goodness, always slow to expose,
always eager to believe the best, always hopeful,
always patient. Love never disappears.
