

Parents/Guardians,

Please help **YouthNet** continue its efforts to support the extracurricular needs of our students. Donations are graciously accepted and can be made online through *PayPal* on the YouthNet website:

sodayouthnet.org

or by check sent to:

YouthNet

P.O.Box 15

Maplewood, NJ 07040.

**Please be advised that inclement weather or teacher illness may force the cancellation of a club session for a particular day, however the club session will be made up at a later date.*

NO STUDENTS WILL BE DENIED ACCESS TO SIGNING UP FOR REASONS RELATING TO FINANCIAL NEED!!!!

How to sign up for a club:

- 1) Beginning on December 10th, pick up a permission form from the cafeteria, main office, or room 102. If you are signing up for more than one club, you should use the same permission form by circling the clubs you want to join found on the form.
- 2) Have your child bring the SIGNED permission slip & \$40 (check, PayPal or cash) for WINTER registration fee to Mr. A. Cicenía in room 102 before the second club meeting. If you drop off the permission slip/payment in the main office, you run the risk of the club being filled before the permission slip makes its way to room 102. **It is NOT a \$40 fee per club, but a single Winter registration fee.** Checks should be made payable to YouthNet. Please make sure to put student name on Memo of check. Paypal payments can be made on the sodayouthnet.org website. (please indicate the PayPal confirmation number on the permission slip).
- 3) Clubs signups are based on first come, first serve basis. Some clubs have roster limits and fill up fast, so please return the permission slip with the registration fee as soon as possible to secure your spot in the club. Clubs run from 3:15-4:15pm & will be dismissed from the back of the building ONLY!

Questions?? - Please contact Mr. Anthony Cicenía

acicenía@somsd.k12.nj.us

SOMS YouthNet PLUS Winter 2019 Clubs

Providing Learning, Understanding and Support--after school!

(upon return from break)

& run for 6 sessions

www.sodayouthnet.org

Monday

Mock Trial—Ms. Andrews

Mock trials allow students to take on court roles and prepare for trial simulations related to current issues. Students have to practice public speaking skills, researching, and collect evidence in relation to current issues in order to act out real-life case scenarios. Students can become lawyers, judges, witnesses, etc in order to bring court trials to life! Rm 244

Girls Who Code—Ms. Catalano

Girls will learn about computer science concepts, and just as importantly, they'll learn that they have a place in the computer science community! We provide participants with a sisterhood of supportive peers and role models, and an opportunity to use their skills to positively impact their community. This club is intended for students who identify as female regardless of gender assignment at birth or legal recognition, but is open to ALL students. Rm 103

Hoop it Up—Dr. Lash

Have dreams of being the next LeBron James or Candice Parker? Train and learn the skills of the pros to help you take those dreams closer to reality! Gymnasium

Wednesday

Yoga—Ms. Rowe

Decompress & relax by experiencing the fundamentals of yoga poses and breathing techniques. Students will gain flexibility, strength, and self-awareness. This club will allow them to escape the stresses of the world and focus on developing a positive mind and spirit. Rm 242

The PEP-Squad— Ms. McDowell

Come learn basic foundational cheerleading movements and routines prepping students to be our schools proud PEP SQUAD!!! Over several weeks we will create an amazing dance routine that will bring the crowd to its feet! If you've got the moves, the PEP-Squad is for you! Gymnasium

Fade to Black Photography Club—Ms. Karis

Love taking pictures and selfies? Take it to the next level at the *Fade to Black Photography Club*. Learn camera techniques and experience creativity with photography and composition. We will take a look at the technique of experienced Instagram photographers (and others). Members will have multiple opportunities to practice techniques and develop their own unique style. Finally, we will seek opportunities for publication of our work. No special equipment necessary (just bring your phone)! Rm 238

SOMS Playwrights—Ms. Laviola

Students will have the opportunity to create, write, rehearse and perform original works. If students would like to present materials, they can choose from staged readings or performances. Performances will occur in the spring (May). Students from the club can perform or work backstage crew (lights, curtains, set pieces, costumes, etc.) - Little Theater

Thursday

Drawing, Doodling and more! —Ms. Abella

Learn the basics of sketching or perfect your drawing then join us in Drawing, Doodling and More Club! All levels of ability are invited! Rm 122

Fitness—Mr. Smalls

Ready to get in shape? Increase your heart rate, pump up your muscles and increase your knowledge of nutrition while working out with a trainer. Fitness Room

Math Support! - Ms. Hannen

Math is tough, but you are tougher! Come get extra support in Math and work to improve skills, complete homework, review quizzes, and prepare for upcoming assignments. Rm 395

Math

Friday

Game Room—Mr. Cicenja

Come improve your skills and compete against others in pool, ping pong, knock-hockey, other classic table games. This session will also offer Dungeons and Dragons to those who are interested to learn and/or play. Rm 107

Club Entrepreneur—Mr. Gregory

Come learn the foundation of our nations economy entrepreneurship. Students will have an opportunity to learn the basics of owning and operating their own small business. In addition, Club Entrepreneur promotes important life skills such as, critical thinking, problem solving and communication. Rm 348
