

Howdy!

How would you like to make a difference in the lives of young people in Calhoun County while taking advantage of a fantastic opportunity to reach potential new customers? You can do both by becoming a sponsor of the 87th Annual Calhoun County Fair to be held Oct. 17-21, 2023.

The Calhoun County Fair is committed to providing youth enrichment in the areas of Agriculture and Family and Consumer Sciences. These young participants are our leaders of tomorrow. Through participation in the fair they learn useful skills such as communication and strong work ethic. The Calhoun County Fair is dedicated to benefiting youth, supporting education and facilitating better agricultural practices through exhibitions and presentation. We support the 4-H and FFA youth of Calhoun County to showcase project work and livestock to the general public.

We know you and your business must make choices when it comes to the charities you support, but we hope you will consider your sponsorship an investment in the future of young lives and our community.

The Calhoun County Fair Association is a non-profit, 501c3 corporation, Tax #74-2293263, that was organized in 1935 and since this time we have strived to provide the best county fair for our community.

We appreciate any support that you can offer to help make this event successful for years to come. Should you have any questions, please feel free to contact Tania French at 361-920-9788 or Erik Bartels at 361-433-1017.

Respectfully,

Tania French
