FCCLA

By C. Wittak

District FCCLA - Held in Scobey - November 17th

Seventy-four students and 6 advisors met together for the day at the Scobey Lutheran Church. Students from Plentywood, Glasgow, Nashua, Medicine Lake and Scobey attended a variety of presentations and workshops and some were lucky enough to tour the homes of Eric Tade and Holly Holm and Dr. Jesse and Holly Cole. The workshops varied from Project Planning – presented by State Officer Karys Lamb, Social Media and the Impact on Mental Wellness – Marissa Freitas – Americorp.

Scobey received a \$1750 grant to formulate a program which included a Speed and Accident Presentation by Ross Tuggle, retired MHP Officer. The grant is sponsored by the Montana Department of Transportation- Vision Zero, Ford Driving Skills for Life, Governor's Highway Safety Association, National Highway Traffic Safety Administration and FCCLA. Some funds were used to pay for the guest speaker, lunch and the rental of the Lutheran Church. The rest of the funds will be used to educate and reinforce that speed can be fatal – arrive alive is the motto.

The keynote address was given by Dr. Pat Lund and his wife, Marta. They focused on overall wellness and health. Dr. Lund and Marta shared their career path and had students participate in a few activities to emphasize the importance of breathing, hydration, exercise and mental health. Throughout the day students participated in ice breakers and shared in a variety of leadership roles along the way. Students will now focus on choosing a project to work on and present at the State Leadership Conference in March. Thank you to all of the presenters and home tours that helped to make this day fun and educational!

Thank you to State Officer Karys Lamb for leading a successful conference. District Officers: Luana Reis, Mercedes Fisher and Daisy Hersel. Incoming Officers from Scobey for next year will be: Vice President - Payton Braut, VP of Programs Philip Haynes. Congratulations to all students attending - they represented Scobey well and have set up a program of work for the upcoming few months.
