Supplemental Type Certificate

Number: SA09857AC

This certificate issued to: IStart Partners, Ltd.
346 Howard Clemmons Rd.
Granbury, TX 76048

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product – Type Certificate Number: See Approved Model List
Make: See Approved Model List
Model: See Approved Model List

Description of Type Design Change:

Installation of an ISTART Starting Enhancement System in accordance with IStart Partners, Ltd. Master Drawing List A-00, Revision D, dated 2/26/2016, or later FAA approved revision.
FAA Approved Airplane Flight Manual Supplement, Doc. No. AFM 6018-1, Revision IR, dated 2/1/2016, FAA approved 5/5/2016, or later FAA approved revision is a required part of this installation.
For instructions on continued airworthiness, reference Instructions for Continued Airworthiness, Doc. No. ICA-200, Revision IR, dated 3/2/2016, or later FAA accepted revision.

Limitations and Conditions:

1. Compatibility of this modification with other FAA approved modifications, on the specific aircraft being altered, must be evaluated by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
2. Aircraft eligible for this modification are listed on FAA Approved Model List Doc. No. AML-SA09857AC Revision IR, dated 4/28/2016, FAA-approved 5/5/2016, or later FAA approved revision.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: December 26, 2014

Date Reissued:

Date of Issuance: May 10, 2016

Date Amended: June 7, 2016

By Direction of the Administrator

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
