The key roles are to lead and coordinate the SLC conference pre-planning and the day of the event. The conference also provides an opportunity for TRIO students to mingle with one another and build community among the SoCal TRIO family.</p> <p>TRIO Day: The TRIO Day Sub-Committee’s purpose is to hold annual service events for members of the WESTOP SoCal Chapter to commemorate the National TRIO Day initiatives that have taken place since the inception of the congressional resolution (H. Con. Res. 278) in 1986. Events should take place, when possible, the fourth Saturday of February. TRIO Day events should allow chapter members to focus their attention on the needs of disadvantaged and provide TRIO participants with the opportunity to give back to their local communities through acts of service.</p>
