IndUS Pre-Teen Day Camp: A Great Success

A day long camp for kids in the age group 6-12 years was held on Saturday, February 22, 2003. The camp held at Memorial Building, Menasha, and was attended by fourteen children of diverse ethnic backgrounds. Besides craft and games the campers were treated to several interesting presentations: Ms. May Dia on *Hmong Culture*; Ms. Richa and Mr. Prateek Mehrotra on *Indian Mythology*; and a hands-on exploratory workshop on *The Physics of Toys* by Ms. Ruth Mansukhani were the highlights of the day. Children were happy to learn about diverse cultures.

The day ended with a pizza dinner and an entertainment program put together by the children to entertain their parents. IndUS thanks all the presenters, parents and the campers.

Our special thanks go out to Dr, Sandhya Sridhar, Ms. Kamal Varma, and Ms. Sajjida Shariff who organized the camp.

Encouraged by the success of the first two years we are considering the magnitude and scope of the camp next year. Please send your suggestions to Sandhya Sridhar at sandhya@silver.sl.edu or call her at (920) 749-4911.
